

DAY 40

PSALM 139 – “A FANTASTIC GOD!”

My family and I loved fantasy movies including marvel/comic movies and Disney movies! We love superheroes! I think through these make believe movies we are able to experience or see things that we ordinary people can't see or do. That's why we love Superman for his super strength; Spiderman for his amazing web; Flash for his amazing speed; Thor for his powerful hammer; and so on and so forth. Also, deep down in our hearts, we want the good to triumph over evil. We want justice to reign supreme. The good news is that the Lord our God is much much more than these superheroes. Unlike them He is the true SUPERHERO. HE IS OUR FANTASTIC GOD! We may not see Him physically but we know Him to be true in the Bible, His Word, in His Creation, and in our hearts. In this psalm, David confesses the great and supreme qualities and nature of the Lord our God.

1) *David RECOGNIZES the FANTASTIC NATURE of the Lord!*

David knew that the Lord knows everything in this world including the very details of his life. Our Lord Jesus even mentioned that He knows even the very numbers of our hairs (See Matt. 10:30). In other words, the Lord is Omniscient! David also showed us that the Lord is everywhere. There's no place where we could go where He is not there. In other words, He is Omnipresent! David also revealed that the Lord is Omnipotent. He is our Creator and the One who designed our every parts and being. He holds in his hands each of our life's destiny.

2) *David REALIZES our FUTILE ATTEMPT to hide from God!*

Because of this, David was not only awed but also realized the futility of attempting to escape or hide from the Lord our God. No one can escape His knowledge or presence or power. All evil doers will be destroyed in due time and all those who walk in His

ways will be rewarded. Therefore, David prays to the Lord to search his heart and know his thoughts. He knows that the Lord already knew what is in his heart and the only thing that needed to be done is to confess these sins and be restored and be forgiven by Him. We praise the Lord for the Blood of Jesus Christ which cleanses us from all our sins & unrighteousness!

POINTS TO PONDER:

1) The Lord our God is the only true & living God! He is Omnipotent, Omnipresent, & Omniscient! He knows you & me inside out and from the beginning of our life up to the end of it. He is our Great & Awesome God! Therefore, let us LIVE FOR HIM & FOR HIM ALONE! Let us glorify Him with our life by being transparent and honest with a clear conscience and a cleansed heart. Let us make the Lord Jesus the LORD of our life till He returns!

PRAYER:

“Our heavenly Father, You are indeed our FANTASTIC GOD! You are All Powerful (Omnipotent), All Knowing (Omniscient), & All Present (Omnipresent) God! No one is like You & no one can escape You! Therefore, You are to be feared and honored and glorified. Lord, thank You for revealing Yourself to us. Teach us to fear You more and obey you more. Mold us to be the obedient servants & people that You intended us to be in Christ Jesus our Lord. In His Name I pray all this. AMEN!”
