

At preschool level, we concentrate on developing literacy alongside other vital early years skills.

The writing element for these literacy sheets is minimal, as most of the work is oral, developing the student's phonic skills. Each letter of the alphabet is covered and includes listening to a book and plenty of our hands-on activities.

Preschool English

Sheet 1

Draw a line from the picture at the top of the page to those pictures that have names that begin with "n".

Student: \_\_\_\_\_

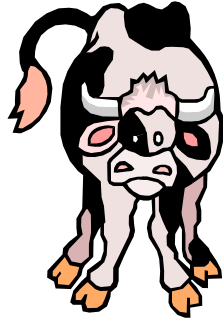

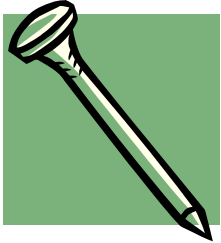

Date: \_\_\_\_\_

Preschool English

Sheet 2

Name each picture and write the letter *n* under each picture that either starts or ends with the "n" sound. Put an X over the pictures that do not have the "n" sound.

Preschool English

Sheet 3

Colour the pictures that have "a" in them.

Student: \_\_\_\_\_

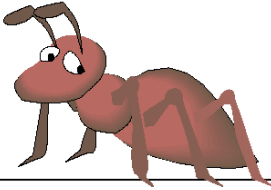

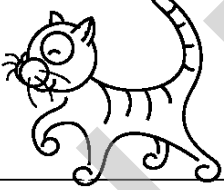

Date: \_\_\_\_\_

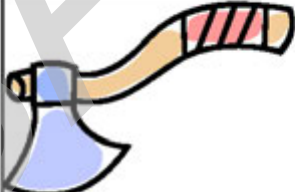

Preschool English

Sheet 4

Name each picture, and then place those that start with "a" under the picture of the *ant*, and those that start with "n" under the picture of the *nose*. Place the pictures that have "a" in the middle under the picture of the *cat*. Put the pictures that end with "n" under the *pan*.

| <u>a</u> nt   | <u>n</u> ose  | ca <u>t</u>  | pa <u>n</u>   |
|---|---|--|---|

Preschool English

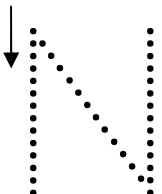

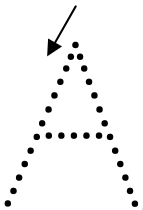

Sheet 5

Practise writing the letters a and n. Trace first. Follow the arrow so you start in the right direction. Then copy each letter three times.

Now try the capitals.
