

# **SUPPLIER NOTIFICATION**

## **Surplus Recycling**

**In order to comply with existing Federal, State and Local Safety and Environmental Laws and/or regulations, the following items will not be accepted at our facility:**

- 1. Non-Recyclable Materials** such as asphalt, concrete debris, dirt, rags, trash, paper
  - 2. Non-Hazardous Free-flowing liquids** including water
  - 3. Chemicals or Poisons** in solid, powder, liquid, or gaseous form (e.g. fertilizers)
  - 4. Flammable and Combustible Materials.**
  - 5. Corrosive Materials** such as soda ash or broken batteries
  - 6. Radioactive Materials** of any type (e.g. military scrap, medical scrap, thickness measuring devices)
  - 7. No medical infectious materials** (e.g. in red bags or marked by the infectious symbol)
  - 8. Hazardous Free-flowing liquids** including gasoline, motor oil, hydraulic fluids, anti-freeze, oil paint or other lubricants or petroleum products, except as contained in whole vehicles PSI purchases for vehicle depollution.
  - 9. Explosive Materials** or potentially explosive materials of any kind.
  - 10. Unexpended Ammunition** shells and any explosives or explosive materials.
  - 11. Pressurized containers or Cylinders** including propane tanks, compressed gas tanks, aerosol cans or extinguishers, unless the closed cylinder has been vented and valves removed.
  - 12. Closed containers** including bulk storage tanks and process vessels
  - 13. Any materials containing CFCs, HCFCs or non-exempt refrigerant substitutes** that have not been evacuated, except as contained in whole appliances PSI purchased for appliance depollution.
  - 14. Lead containing materials** except when purchased as a lead bearing commodity.
  - 15. PCB-containing materials** (e.g. capacitors, ballasts, and transformers.)
  - 16. Asbestos-containing materials (ACM),** such as pipe insulation or surfacing materials.
  - 17. Mercury-containing materials** (e.g. switches, fluorescent or mercury vapor lights/fixtures/bulbs, thermostats), except as contained in whole vehicles/appliances PSI purchases for vehicle/appliance depollution
  - 18. Cathode ray tubes (CRTs) liquid crystal displays (LCDs) or any device containing a CRT or LCD**(e.g. computer monitor, laptop screen television set)
- 
- 1. Any other materials** containing hazardous wastes or toxic substances.
  - 2. Railroad scrap** unless accompanied by the appropriate ownership documentation. Any regulated metal marked with the name of a government entity.
  - 3. Any metal beer keg,** including any made of stainless steel that is clearly marked as being the property of the beer manufacturer.
