Bring your marvels to our fit-for-purpose, fully equipped centre with both indoor and outdoor play facilities to encourage your Marvels to 'learn through play'. Often our children struggle with social cues, social boundaries, friendships and communication barriers with many unable to access mainstream clubs. Here at Little Waves we inspire learning through craft activities, role play, messy play, cooking, singing, story sacks, sensory play and much more, alongside our garden that's jam packed with fun and adventure!

**To encourage inclusion, connection, integration
and empowerment to our families through a
wealth of knowledge and understanding**
