With indoor and outdoor
play space

To book contact the team on: [02392 603625](tel:02392603625)

During office hours we are a parent-led, not-for-profit, registered charity supporting families with children affected by ADHD, Autistic Spectrum Conditions (ASC) & Sensory Processing Disorders (SPD) across Hampshire through the provision of our Family Centre. To aid the charity to continue the valuable support they provide to the families, we hire the centre in the times we don't have any sessions running. For more information please don't hesitate to contact the team.

St Vincent College Campus,
Mill Lane,
Gosport,
Hampshire,
