COLLECTION

The Dave Lennox *Signature™* Collection Ladera™ high-efficiency wood-burning fireplace is a contemporary marvel. Advanced features, like a Double-Air Combustion control, allow you to enjoy a continuous fire without the need for reignites and it helps optimize efficiency. A compact, yet open firebox accepts logs up to 18 inches for large flames, long burn times and additional warmth. And with a clean-face design and expansive viewing area, this EPA-certified fireplace allows you to take pleasure in the modern beauty of an unobstructed fire with a true masonry fireplace feel.
