To All QACC Members & Stakeholders

Dear Members,

Disregard unauthorised Correspondence circulating on social media

I, Robert Mukombozi, the President of Queensland African Communities Council Inc (QACC) have read a correspondence circulating on social media purported to be a decision of our Management committee.

This is to inform all members, leaders and esteemed organisations, Services and agencies supporting our work to disregard the Notice as nothing has changed in terms of the leadership of QACC.

Please continue to direct all matters needing my attention to: 0401795776 or email: mukrobert2000@yahoo.com. Other matters can be addressed to relevant committee members as usual until the upcoming Annual General Meeting when a new team will be announced.

I will also be convening a meeting of the Assembly of Leaders, Past Presidents, Founder members and Electoral Committee as soon as possible to discuss this matter and most importantly ensure our outstanding organisation works towards a smooth transition of leadership and continues to be a strong and united voice for all Africans across Queensland.

I thank you all for your continued support.

Yours sincerely,
