

Managing Safely Courses conveniently on your doorstep

Managing safely is essential in any business and the IOSH Managing Safely Course is one way of ensuring and demonstrating that your nominated Health & Safety Officer or Managers are trained in current health and safety issues

What does Managing Safely Cover?

- Introducing managing safely
- Assessing risks
- Controlling risks
- Understanding your responsibilities
- Identifying hazards
- Investigating accidents and incidents
- Measuring performance
- Protecting our environment

e: sales@ghsafety.co.uk
w: www.ghsafety.co.uk

What does my organisation get out of it?

- Attendees are awarded a nationally recognised and respected qualification which demonstrates that they have been trained to manage safely
- Training is controlled by the Chartered Body for Health & Safety Professionals
- Up skills your Managers and improves your teams efficiency thereby reducing cost
- Demonstrates to customers and the HSE that Health & Safety is taken seriously
- Reduction in accidents, absences and insurance costs
