

# IOSH MANAGING SAFELY REFRESHER

**One day course to ensure that your Managing Safely qualification remains valid**

The IOSH Managing Safely Refresher is a one day course aimed at Managers and Supervisors who have previously undertaken the full IOSH Managing Safely course within 3 years. Attendees revise key management responsibilities from the full IOSH Managing Safely course and updates to relevant changes in good practice, health and safety legislation and standards.

## **What does the Managing Safely Refresher course cover?**

- Reintroducing Managing Safely
- Understanding your responsibilities
- Assessing risk
- Controlling risk
- Investigating accidents and incidents
- Measuring performance

If it is important that you need to keep your formal qualification up to date, then this course is for you.

**Book yourself on our next open course TODAY!**

## **What does my organisation get out of it?**

- Attendees are kept up to-date with changes in legislation and the impact on their organisation
- On successful completion of the course attendees extend their Managing Safely qualification by 3 years
- Training is controlled by the Chartered Body for Health & Safety Professionals
- Instills confidence and enthusiasm
- Demonstrates to customers and the HSE that Health & Safety is taken seriously
