

North of England Nursery of the Year 2010
Joint Regional Winners
Little Holcombe Nursery and Tower View Nursery

We were delighted to be voted Nursery of the Year for the north of England in June 2010. The awards are presented by the NDNA (National Day Nurseries Association) and they celebrate the fantastic care and support that nurseries provide for children and their families. Unlike other awards, this one is voted for by mums, dads and carers and selected through a rigorous judging process, this is a premier award for nurseries in the UK and this year a record number of nominations were received nationally, 4000 in total.

The judges said: "They were impressed by the fantastic comments from parents who said their children didn't want to go home from Little Holcombe Nursery. The word 'excellent' also featured on almost every nomination form for Little Holcombe's sister nursery, Tower View. We would like to praise both nurseries for working together to share good practice, policies and procedure - A big reason why we chose to award the title jointly for the first time".

As you can imagine, as proprietors we are very proud of all our staff and would like to thank them for all their hard work and dedication to the nurseries!

And if that wasn't enough...

We have also recently received the 'INVESTORS IN PEOPLE GOLD AWARD', which has only been achieved by 0.5 % of businesses, due to the amount of standards you are required to achieve.

We just keep getting better and better, putting our children and parents first!
