## Membership Form

It is really helpful and sometimes quite important for us to have accurate membership information for our church. St Mark's Church pays a financial contribution to the Church of England for every member over 16 years of age. It is therefore important to have an accurate record of membership to enable us to pay our church share to the Church of England. It is also helpful to have up to date details if we need to make contact with you, perhaps when a pastoral situation arises.

If you consider yourself to be a member of this church, please would you kindly complete this form and return it to the church office, a minister or a member of the Leadership Team. You can also fax or Email your details. Please be assured we do not release your details to any other organisations.

I would like to receive Partnership News by Email    Yes / No

We are not expected to pay for children under 16 years, or for other members of your family who do not regularly attend church. However we would still like to record their details on our Partnership list as friends of the church. If you have children under 16, or a partner who does not wish to complete a membership form, please ask them if they would like you to enter their details below. Please continue on the other side if necessary.
