

## VINE CLIFF WINERY

### 2018 Napa Valley Cabernet Sauvignon

**93** “Aromas of blackberries and blueberries with hints of bark and black mushrooms, following through to a full body with dense, rich tannins and a savory finish.”

James Suckling.com ~ Online December 2020

**90** “Composed of 91% Cabernet Sauvignon, 6% Malbec and 3% Cabernet Franc, the deep garnet-purple colored 2018 Cabernet Sauvignon rolls out of the glass with open-knit notions of plum preserves, black and red currant jelly and clove oil with hints of pencil lead and tilled soil. Medium to full-bodied, the palate delivers great tension with bags of crunchy black fruits and a firm, grainy texture, finishing long and savory... Drink 2021 to 2034.”

Robert Parker (Wine Advocate) ~ Online November 2020
