Supporting Children with Special Educational Needs Policy

Policy statement

Binfield Preschool provide an environment in which all children with special educational needs (SEN) are supported to reach their full potential.

- We have regard for the Special Educational Needs and Disability Code of Practice (2014)
- We have in place a clear approach for identifying, responding to, and meeting children’s SEN
- We support and involve parents (and where relevant children), actively listening to, and acting on their wishes and concerns
- We work in partnership with the local authority and other external agencies to ensure the best outcomes for children with SEN and their families
- We regularly monitor and review our policy, practice and provision and, if necessary, make adjustments

Procedures

- We designate a member of staff to be the Special Educational Needs Co-ordinator and give his/her name to parents. Our SENCO is: Jenna McCormack
- The SENCO works closely with our manager and other colleagues and has responsibility for the day-to-day operation of our Supporting Children with Special Educational Needs Policy and for co-ordinating provision for children with SEN
- We ensure that the provision for children with SEN is the responsibility of all members of the setting
- We ensure that our inclusive admissions practice ensures equality of access and opportunity
- We provide a broad, balanced, and differentiated curriculum for all children
- We apply SEN support to ensure early identification of children with SEN
- We use the graduated approach system (assess, plan, do and review) in increasing detail and frequency to ensure that children progress
- We ensure that parents are involved at all stages of the assessment, planning, provision, and review of their children’s special education, including all decision-making processes
- Where appropriate, we take into account children’s views and wishes in decisions being made about them, relevant to their level understanding
- We provide parents with information on local sources of support and advice e.g. Local Offer, Information, Advice and Support Service

1 This includes disabled children with special educational needs

- We have systems in place for referring children for further assessment e.g. Common Assessment Framework/Early Help Assessment and Education, Health and Care (EHC) assessment
- We provide resources (human and financial) to implement our Supporting Children with Special Educational Needs Policy
- We ensure that all our staff are aware of our Supporting Children with Special Educational Needs Policy and the procedures for identifying, assessing, and making provision for children with SEN. We provide in-service training for parents, practitioners, and volunteers
- We raise awareness of our special education provision via our website and our promotional materials
- We ensure the effectiveness of our special educational needs provision by collecting information from a range of sources e.g. action plan reviews, staff and management meetings, parental and external agency's views, inspections, and complaints.
