# CLASSIC REMISE

PART OF TOWN Charlottenburg | RENTAL FEE upon request

## THE LOCATION

Inspiring events. Breathtaking architecture. Legendary cars. That's the Classic Remise in Charlottenburg in a nutshell. What was Europe's largest street car depot now houses the heritage listed Wiebehallen - a competence center for vintage cars, motorcycles and boats. Enthusiastic collectors and nostalgic mechanics rub elbows under this historic roof and celebrate their rusty hobby.

Event guests drive right up to the location and enter the light flooded halls through a reception-atrium. From there they stroll past vintage car-legends in their glass showcases to reach the 800m<sup>2</sup> hardwood floor event hall in the center of the building. Conferences, awards, gala dinners or relaxed get togethers, anything is possible
