

HILTON LAMINATING

Coilmac EX

All-In-One Electric Coil Punch, Electric Inserter, and Crimper. With its heavy duty punch motor, built-in electric coil inserter and complete system of functions, the Hitlon CoilMac EX makes coil binding fast, easy, convenient and professional.

FEATURES:

All Electric Operation: Powerful punching & inserting capability with a simple press of foot pedal.

Extended Single Punching Length (13"): With open ends & continuous punch guide to easily punch documents of any length (up to 26").

High Volume Punch Capacity: Suggested up to 25-sheet for 80 gsm paper, or 2.6mm (28-sheet equivalent) for hard-board*, in 13" length (53 holes).

Super Strength Punch Mechanism with exclusive "Precision Guiding

System™ Blade Set: Cast-hardened & heat-treated steel dies provide superior strength & hardness. Exclusive "precision guiding system" guarantees a sharp & clean perforation everytime. **Electric**

Reverse (Anti-Jam) Function: For trouble-free punching.

Full Length Heavy-Duty Electric Coil

Inserter with Double Roller Mechanism: 11-3/8" EPDM roller provides high friction and durability, making this inserter one of the easiest-to-use & most durable. Front-mounted roller position gives operator greater control & improves efficiency. Foot-pedal operated. Plastic & Metal coil compatible.

Industrial-Grade Roller Motor:

Heavy-Duty motor (3 times heavier-duty than other similar machines in its class).

U-shaped Alignment Channel: Assists the operator to properly shape the document's spine, for faster & easier coil insertion.

Side Margin Control: Provides an evenly centered punch for all document sizes.

Punching Margin Control: Provides the correct punch-margin-depth for each coil size and maximizes the document's tear resistance.

Open Throat and Continuous Punch Guide: For an easy alignment and punching of longer documents up to 26".

Rugged ALL Metal Construction: Makes it the most reliable & durable coil binding system in its class.
Extra-High-Capacity Waste Drawer
6 Height-Adjustable Non-Skid Metal Feet

CE Certification: All components certified & approved by CE for most stringent safety requirements.

ISO9001 & 14001 Quality: Manufactured under ISO9001 & 14001 guidelines for highest quality control & environmental management standards
Includes Coil Diameter Selector & Premium Oval Coil Crimpers

SPECIFICATIONS

Model:	CoilMac-EX
Pitch:	Standard 4:1 (0.250")
Operation:	Punching – Electric
Inserting:	Electric
Single Punch Capacity:	Up to 25 sheets for 80 gsm, Up to 2.6mm for hardboard
Suggested Binding Capacity:	Up to 7/8" (electric), Up to 2" (manual)
Single Punch Length:	13" (53 holes)
Hole Size:	Round (4mm)
Disengageable Pins:	5 out of 53
Weight & Dimensions:	23kg
Warranty:	1 Year
