The Boys & Girls Club of the West Valley provides after school enrichment programs on campus at Hale Charter Academy. The Club not only provides a safe environment for students right after school on campus, but it engages children in enriching activities and programs to develop their cognitive, emotional and physical well-being.

**The Mission of the Boys & Girls Club of the West Valley is to inspire and enable all youth to realize their full potential as responsible, productive and caring citizens.**

**Special Events/Programs**

**Youth of the Year:** Each site selects one student who embodies the model citizen, displaying positive qualities, leadership and compassion. The WVBGC holds a luncheon annually, inviting family and school administration, to honor and recognize our kids.

**Youth of the Month:** Each site recognizes our outstanding youth each month. Through a sponsorship with Vista Ford the Middle School students are recognized through a biannual event/reception and are awarded gift cards.

**Cooper Reading Challenge:** Each year our members are challenged through our literacy/reading program and the incentive is to go on a trip to the bookstore where the kids can purchase $25 in books.

**Torch Club Leadership Summit:** Torch club is the leadership program for Middle School students and each year the Torch Club has an opportunity to go away for a weekend on a Leadership Summit.

**Arts Exhibit and Special Performances:** The Arts Department has an annual Arts Exhibit where all of our sites enter into. Through a partnership with the Optimist Club there are cash prizes for 1st, 2nd and 3rd place and the winners are entered into the National Boys & Girls Club Arts Exhibit. The Club has several opportunities for kids to perform at major fundraising events and Club events.

**Spelling Bee:** Each year we hold a spelling bee at each site and the winners compete in the finals against other sites.

**College Bound:** The Club creates a culture and environment for kids to prepare for their futures and develop an appreciation for their education. Middle school students have opportunities to visit local Universities with the Club.

**New! Chorus:** Kids who have a talent for singing can be a part of the Club’s chorus. This group is selected based on an audition and will prepare during the year to perform at various venues. Rehearsals will be at the Main Clubhouse, schedule TBD.
