Please contact the church office if you can help out.

The church is working on putting together our church directory online, using Instant Church Directory Online. To learn more about it you can visit the website here,

https://www.instantchurchdirectory.com/.

To get started we are using the information in the current church directory and the emails we have on file. There is also a letter and information sheet in the Narthex with more details.

Stay tuned for when the online directory is ready to be viewed!
