Plan Ahead

There are several important reasons to pre-plan a funeral. Planning ahead helps provide peace of mind for you and your family, and eases the financial burden of a funeral. It is also an acceptable way to spend down a person's assets.

Now, when you sit down with us to plan ahead for yourself or a loved one, you will get a personalized copy of the [Levinson's Pre-Planning Guide](#), filled with organizational resources.

Aftercare

Levinson's bereavement library, support groups, and educational events in Pikesville and Columbia ensure that the families we care for have support long after the funeral service ends.
