## Meet our "Family": Kim Fisher, Controller, 4 Years at Levinson's

As Controller, Kim is responsible for the financial accounting of the company, including payables, receivables, and pre-need insurance accounts, as well as payroll, benefits and healthcare for employees.

Kim enjoys the fast-paced environment at Levinson's; her savvy computer skills and ability to multitask and switch gears at a moment's notice are just some of the qualities that made her such a great fit in the office. She moved to Baltimore from Philadelphia and, when asked what it was that drew Kim to Levinson's when coming to Baltimore, she said she was looking for a quality employer, not just a job. Kim said she enjoys the people she works with, and the feeling of being part of a business that gives back to the community.

Kim and her husband have two young daughters and live in Owings Mills. They are members of the JCC, and enjoy going to concerts and sporting events when not taking their daughters to gymnastics. In her spare time, Kim enjoys baking, entertaining at home, and exploring the many interesting places and events that Baltimore has to offer.

## Plan Ahead

There are several important reasons to pre-plan a funeral. Planning ahead helps provide peace of mind for you and your family, and eases the financial burden of a funeral. It is also an acceptable way to spend down a person's assets.

Now, when you sit down with us to plan ahead for yourself or a loved one, you will get a personalized copy of the [Levinson's Pre-Planning Guide](#), filled with organizational resources.

Click the image to watch our video, or [go to our website](#) and use the [Plan Ahead form](#) to get started.
