

Sol Levinson & Bros. Funeral Home New Program Announcement

Fall 2019

We are pleased to introduce a new program:

"Ask the Expert" educational conversations about funerals and Advance Planning.

**In the comfort of your home.
With the guests of your choice.**

What it is:

Invite a small group of friends to your home or another location, for a casual opportunity to ask questions of a funeral director and advance planning specialist.

Why we are offering this:

Talking about death and funerals is hard - we understand that - but every day we see the importance of having these difficult discussions ahead of time.

We want to make these conversations easier for you, so you can make things as easy as possible for your family. However, some people feel uncomfortable asking questions surrounded by a group of people they don't know, and we hope this solves that problem.

Sounds interesting or you'd like to learn more? [Click here to read about](#) how these events work, and how to plan one of your own.

Or reach out to Eliza Feller, Director of Advance Planning and Funeral Director, at AskTheExpert@sollevinson.com or call 410-653-8900 and ask to speak with Eliza or with Candace Cannon, an Advance Planning Specialist and Funeral Director.
