

# WildLife Survival School

## How to find us

From the Shrewsbury bypass, take the B4380 - signposted to Ironbridge, Atcham, and Wroxeter (towards Attingham Park).

Continue on this road, past the main Attingham Park entrance on your left.

Approximately 1 mile past the Attingham Park entrance, take this left turn - signposted to Walcot, Allscott and Atcham Business Park.

After 200 yards, turn left at this junction (signposted as a no through road). If you get as far as the business park, you have gone too far! The business park postcode is - SY44UG

Continue on this road as it goes round to the left.

Just after you have gone underneath the tree canopy, our site entrance is through the gate on your right hand side. We will meet you here to direct you to the parking area. Please take care when driving through the gate, and along the track. There are a few potholes that are easily avoided, but please keep your speed down.

There is ample parking outside our woodland. Please ensure you are off the road so that any agricultural vehicles can pass you.
