WHAT'S IT ALL ABOUT?

As a leading provider of performing arts in the UK, we currently run a part-time school and a full time college, training young people in all aspects of the performing arts. We are now able to offer a fully funded summer course that offers a recognised qualification. Young people aged 16-18 years who successfully audition for a place on the course, spending three weeks in August at our Barnet based studios, rehearsing and performing a complete play and a full musical with like-minded company members.

SPRING AWAKENING

This year, our young company will be performing the musical 'Spring Awakening', and a contemporary re-imagining of the play 'Woyzeck'. These are two incredibly demanding pieces of theatre, chosen to ensure we have the material that allows us to work at an advanced standard. Spring Awakening is a rock musical telling the story of teenagers discovering the inner and outer turmoil of teenage sexuality. Woyzeck is based on a true account of a poor man who was executed for stabbing his wife to death. Two very strong, character driven productions to challenge our young company to produce incredible performances in just three weeks.

LIVE PERFORMANCE

An intensive training opportunity, studying all aspects of Musical Theatre throughout each day. Analysing text and lyrics, exploring movement and gesture through the discovery of subtext. At the end of the final week, all students perform a full musical to an audience.

ACTING WORKSHOP

Explore text, character and relationships through workshops, concentrating on a contemporary play. An intense opportunity to unlock, rehearse and develop a full play ready for performance to an audience.
