

Welcome from St Ives Condominium Association

Congratulations on becoming a new owner at St. Ives, a private condominium community within the Canterbury Crossing development. The St. Ives Condominium Association consists of the eighteen unit owners, and the elected Executive Board oversees the maintenance of the common elements. The unique architectural design complemented by enhanced landscaping in an exclusive setting makes St. Ives a premier living location in State College. The Executive Board's mission is the preservation of the esthetics and structural integrity of our community within the fiscal parameters established by the unit owners. You should have received a copy of the condominium documents from your agent at closing. The current Rules & Regulations for unit owners are attached, along with a list of the unit owners.

The Executive Board meets five to six times each year, and all unit owners are encouraged to attend. Meeting times and locations are listed in the minutes, which are sent to all unit owners. The annual homeowners meeting is held in November, and is especially important since the budget is adopted and board members are elected. The Executive Board consists of five unit owners with varying terms. Current board members are:

Thomas Bem
Sam Auker
Charles Myers
Joanne Lew
James Meister

John Hanna of Continental Real Estate Management serves as the property manager for St. Ives Condominium Association. Any issues regarding the condominium common elements or association activities should be directed to Mr. Hanna (814-238-1598). Again we welcome you to our neighborhood, hope your move in goes smoothly, and look forward to meeting you.

Section 1. Review by Committee. No Improvements or landscaping, planting, clearing, paving, grading, excavation or fill, shall be commenced, erected or maintained on the Units within the Canterbury Crossing Planned Residential Development, Phase I Properties, nor shall any exterior additions to, or changes or alterations thereof be made, until the plans and specifications, including lot elevations have been submitted to and approved in writing by the Association or by an architectural control committee pursuant to Article IX of the Original Declaration. The Association or the architectural control committee may request of the Owner such additional information as may be necessary for its understanding and consideration of the plans and specifications which are submitted. In the event the aforesaid approval or disapproval is not provided within thirty (30) days after the plans and

specifications have been submitted to the Association or architectural control committee, approval shall be deemed to have been given.

ARTICLE IV
EXTERIOR MAINTENANCE

Section 1. Maintenance Caused Through Act of Owner.

In the event that the need for exterior maintenance is caused:

(a) through the negligent or willful act of the Owner, his family, guests, or invitees; or

(b) by an alteration or change by any Owner, other than Declarant or the Association, of any Improvement,

the cost of such maintenance shall be added to and become a part of the general assessment to which such Unit is subject.

Section 2. Failure of Owner to Maintain. In the event an Owner of any Unit in the Phase I Properties shall fail to maintain the Unit, with Improvements situated thereon in a manner satisfactory to the Association, the Association shall have the right, through its agents and employees, to enter upon said parcel and to repair, maintain, and restore the Unit and the exterior of the buildings and any other improvements erected thereon. The cost of such maintenance shall be added to and become part of the general assessment to which such Unit is subject.

ARTICLE V
COMMON UTILITY LINES

In order to provide the Owners within the Phase I Properties with underground utility lines, it may be required from time to time that two Units be served with a common service entrance line. Owners of Units with such lines agree to cooperate fully with applicable utility service providers concerned therewith for all maintenance, repair and other measures as may be necessary to provide adequate and proper service to the Owners served thereby.

ARTICLE VI
GENERAL PROVISIONS

Section 1. Enforcement. Enforcement of the covenants; restrictions and provisions herein shall be by any proceeding at law or in equity against any person or persons violating or attempting to violate any covenant or restriction, as provided in [Article IX, Section 3] of the Original Declaration. Failure by the Association or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Duration. The covenants and restrictions of this Supplemental Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Declarant, the Association or the Owner of any land subject to this Supplemental Declaration, their respective legal representatives, heirs, successors and assigns, for a term of thirty (30) years from the date this Supplemental Declaration is recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years unless an instrument signed by the then-Owners of two-thirds (2/3) of the Units has been recorded, agreeing to change said covenants and restrictions in whole or in part. Provided, however, that no such agreement to change shall be effective unless made and recorded three (3) years in advance of the effective date of such change, and unless written notice of the proposed agreement is sent to every Owner at least ninety (90) days in advance of any action taken.

Section 3. Severability. The provisions herein shall be deemed independent and severable and the invalidity or partial invalidity or unenforceability of any one provision or portion thereof, shall not affect the validity or enforceability of any other provision or portion thereof or of the Original Declaration unless such deletion shall destroy the

uniform plan for the development and operation of the Properties which the Original Declaration is intended to create.

Section 4. Provisions of Original Declaration. All terms, conditions, restrictions, covenants and provisions of the Original Declaration, except to the extent that the same are supplemented hereby, are ratified and confirmed and are declared to be and shall be and remain in full force and effect and shall apply in all respects to this Supplemental Declaration and to the Phase I Properties and the Owners of Units within the Phase I Properties, all as shall be applicable and appropriate as if the same were repeated in full herein; Provided, however, that the provisions of the Original Declaration always shall be construed so as to give proper effect and meaning to the provisions of this Supplemental Declaration.

IN WITNESS WHEREOF, and intending to be legally bound hereby, the Declarant has executed this Supplemental Declaration as of the day and year first above written.

Amendment of Declaration of Condominium for St. Ives Condominiums

This Amendment to the St. Ives Condominium Association Declaration of Condominium recorded in Centre County Book ____ at Page ____ dated this 31st Day of July, 2006 and certified by TOM BEN, President of the Homeowners Association.

Background of Amendment

In October, 2004, discussion began regarding an amendment to the Declaration of Condominium. The purpose of this amendment is to transfer to the unit owners responsibility for the entire deductible if there is an insurance claim made against the Association insurance policy. After receiving a clear mandate from the unit owners, the Board passed a motion to amend the Declaration of Condominium and began the process in accordance with the provisions of the Declaration of Condominium and the Uniform Condo Act of Pennsylvania.

On November 9, 2005, a letter along with the proposed amendment was sent to the holders of all mortgages on units at St. Ives. The letter made the mortgage holders aware of the proposed amendment and instructed them to respond to Continental Real Estate Management, Inc. if they had any objections. There were eight units that had a mortgage. Objections were received from mortgage holders of two of the eight units at St. Ives. This met the requirements for approval as stated in the Declaration of Condominium.

On May 11, 2006, a letter along with the proposed amendment to the Declaration of Condominium was sent to all Owners of St. Ives. At the bottom of the proposed amendment, a section was provided for unit owners to vote yes to accept the amendment, or to vote no to reject the amendment. Ballots were received from fourteen of the eighteen units at St. Ives. Of those 14 ballots received, 12 voted yes, and 2 voted no. This meets the requirements in the Declaration of Condominium for amending the Declaration.

Amendment of Declaration

The following amendment to the Declaration of Condominium of St. Ives Condominium is hereby adopted:

July 31, 2006

EXHIBIT A

Amendment to the St Ives Condominium Declaration of Condominium

In accordance with Article XVIII, Amendments to Declaration, of the St. Ives Condominium Declaration of Condominium, the following amendment has been approved by more than 67% of the Unit Owners and formally adopted by the Board of St. Ives at their meeting held on July 11, 2006.

The Association will be responsible for damage to Units caused intentionally, negligently or by its failure to maintain, repair or make replacements to the Common Elements. Section 6.1. A Common Element not previously allocated as a Limited Common Element may be so allocated only pursuant to the provisions of this Article VI. All allocations will be made by amendments to the Declaration specifying to which Unit or Units the Limited Common Element is allocated. Such amendment shall require the approval of all holders of mortgages in the affected Units, which approval shall be endorsed thereon. The person executing the amendment shall provide an executed copy thereof to the Association which if the amendment complies with the provisions of this Declaration and the Act shall record it. The amendment shall contain words of conveyance and must be recorded and indexed in the names of the parties and the Condominium. ARTICLE VII. ADDITIONS, ALTERATIONS AND IMPROVEMENTS

Section 7.1. Additions, Alterations and Improvements by Unit Owners.

a. No Unit Owner will make any structural addition, structural alteration or structural improvement in or to a Unit without the prior written consent thereto of the Executive Board in accordance with Section 7.1(c).

b. Subject to Section 7.1(a), a Unit Owner:

(ii) may not change the appearance of the Common Elements or the exterior appearance of a Unit, or any other portion of the Condominium, without permission of the Association;

(iii) after acquiring an adjoining Unit, may remove or alter any intervening partition or create apertures therein, even if the partition in whole or in part is a Common Element, if those acts do not impair the structural integrity or mechanical systems or lessen the support of any portion of the Condominium. Removal of partitions or creation of apertures under this subsection is not an alteration of boundaries. If a part of an adjoining Unit is acquired boundaries will be relocated in accordance with Article XVII.

c. A Unit Owner may submit a written request to the Executive Board for approval to do anything that he or she is forbidden to do under Section 7.1(a) or 7.1(b)(ii). The Executive Board shall review the request in accordance with the provisions of its rules.

d. Any applications to any department or to any governmental authority for a permit to make any addition, alteration or improvement in or to any Unit shall be executed by the Association only. Such execution will not, however, create any liability on the part of the Association or any of its members to any contractor, subcontractor or material man on account of such addition, alteration or improvement or to any

person having any claim for injury to person or damage to property arising therefrom.

e. All additions, alterations and improvements to the Units and Common Elements shall not, except pursuant to prior approval by the Executive Board, cause any increase in the premiums of any insurance policies carried by the Association or by the owners of any Units other than those affected by such change. The provisions of this section shall not apply to the Declarant in the exercise of Special Declarant Rights.

Section 7.2. Additions, Alterations and Improvements by the Executive Board. Subject to the limitations of Section 10.7 of this Declaration, the Executive Board may make any additions, alterations or improvements to the Common Elements which in its judgment it deems necessary.

Declarant reserves the right to place models, management offices and sales offices in any Units owned by Declarant and on any portion of the Common Elements in such number, of such size and in such locations as Declarant deems appropriate. The models, management offices and sales offices constituting a portion of the Common Elements shall be subject to the following requirements:

(i) The number of models maintained by the Declarant within the Common Elements shall not exceed two (2) per building. The size of each such model shall not exceed the size of the comparable Unit.

(ii) In addition to the models maintained by the Declarant on the Common Elements, Declarant shall have the right to maintain within the Common Elements not more than three (3) offices for sales and management purposes. Each such sales or management office may not exceed the size of the largest Unit.

b. Declarant may from time to time relocate models, management offices and sales offices to different locations within the Property. Upon the relocation of a model, management office or sales office constituting a Common Element, Declarant may remove all personal property and fixtures therefrom. Any fixtures not so removed shall be deemed Common Elements, and any personal property not so removed shall be deemed the property of the Association.

c. So long as Declarant shall be selling Units in the Condominium, Declarant shall have the right to restrict the use of up to eight (8) parking spaces for sales purposes. Such use shall include reserving such spaces for use by prospective Unit purchasers, Declarant's employees and others engaged in sales, maintenance, construction or management activities.

8.1.2. Utility and Other Easements. The Units and Common Elements shall be, and are hereby, made subject to easements in favor of the Declarant (until Declarant shall have satisfied all of its obligations under any Condominium Document and all commitments in favor of any Unit Owner and the Association), the Association, appropriate utility and service companies and governmental agencies or authorities for such utility and service lines and equipment, including security systems, as may be necessary or desirable to serve any portion of the Property or the Convertible Real Estate. The easements provided for by this Section 8.1.2 shall include, without limitation, rights of Declarant, the Association, any providing utility, any service company and any governmental agency or authority, and any of them, to install, lay, maintain, repair, relocate and replace gas lines, pipes and conduits, water mains and pipes, sewer and drain lines, telephone wires and equipment, television equipment and facilities (cable or otherwise), security systems, electrical wires, conduits and equipment and ducts and vents and any other appropriate equipment and facilities over, under, through, along and on the Units and Common Elements. Notwithstanding the foregoing provisions of this Section 8.1.2, unless approved in writing by the Unit Owner or Unit Owners affected thereby, any such easement through a Unit shall be located either in substantially the same location as such facilities or similar facilities existing at the time of first conveyance of the Unit by the Declarant to a grantee other than the Declarant or so as not to materially interfere with the use or occupancy of the Unit by its occupants.

8.1.3. Declarant's Easements

a. Declarant reserves an easement (until Declarant shall have satisfied all of its obligations under any

Condominium Document and all commitments in favor of any Unit Owner and the Association) to use portions of the Common Elements and any Units owned by Declarant for construction or renovation related purposes, including the storage of tools, machinery, equipment, building materials, appliances, supplies and fixtures, and the performance of work respecting the Property.

b. Declarant reserves an easement (until Declarant shall have satisfied all of its obligations under any Condominium Document and all commitments in favor of any Unit Owner and the Association) on, over and under those portions of the Common Elements not located within the building for the purpose of maintaining and correcting drainage of surface, roof or storm water. The easement created by this subsection expressly includes the right to cut any trees, bushes or shrubbery, to grade the soil or to take any other action reasonably necessary, following which the Declarant shall restore the affected property as closely to its original condition as practicable.

c. During the Declarant Control Period and for a period of two (2) years thereafter, the Declarant shall have an easement through the Units for any access necessary to complete any renovations or modifications to be performed by Declarant.

8.1.4. Easement for Ingress and Egress Through Common Elements; Access to Units and Support

a. Each Unit Owner is hereby granted an easement in common with each other Unit Owner for ingress and egress through all Common Elements, subject to such reasonable Rules and Regulations as may be imposed by the Association. Each Unit is hereby burdened with and subjected to an easement for ingress and egress through all Common Elements by persons lawfully using or entitled to the same.

b. To the extent necessary, each Unit shall have an easement for structural support over every Unit in the building, the Common Elements and the Limited Common Elements; and each Unit and the Common Elements shall be subject to an easement for structural support in favor of every other Unit in the building, the Common Elements and the Limited Common Elements.

8.1.5. Common Elements Easement in Favor of the Association. The Common Elements (including the Limited Common Elements) shall be and are hereby made subject to an easement in favor of the Association and the agents, employees and independent contractors thereof for the purpose of the

inspection, upkeep, maintenance, repair and replacement of the Common Elements (including the Limited Common Elements).

8.1.6. Common Elements Easement in Favor of Unit Owners. The Common Elements (including the Limited Common Elements) shall be and are hereby made subject to the following easements in favor of the Units benefitted:

a. For the installation, repair, maintenance, use, removal and/or replacement of pipes, ducts, heating and air conditioning systems, electrical, telephone and other communication wiring and cables and all other utility lines and conduits which are a part of or serve any Unit and which shall pass across or through a portion of the Common Elements.

b. For the installation, repair, maintenance, use, removal and/or replacement of lighting fixtures, electrical receptacles, panel boards and other electrical installations which are a part of or serve any Unit but which encroach into a part of a Common Element adjacent to such Unit; provided that the installation, repair, maintenance, use, removal or replacement of any such item does not unreasonably interfere with the common use of any part of the Common Elements, adversely affect either the thermal or acoustical character of the building or impair or structurally weaken the building.

c. For driving and removing nails, screws, bolts and other attachment devices into the Unit side surface of the stone, block, brick or other masonry walls bounding the Unit and the Unit side surface of the studs which support the drywall or plaster perimeter walls bounding the Unit, the bottom surface of floor joists above the Unit and the top surface of the bottom surface of floor joists above the Unit and the top surface of the floor joists below the Unit to the extent such nails, screws, bolts and other attachment devices may encroach into a part of a Common Element adjacent to such Unit; provided that any such action will not unreasonably interfere with the common use of any part of the Common Elements, adversely affect either the thermal or acoustical character of the building or impair or structurally weaken the building.

d. For the maintenance of the encroachment of any lighting devices, outlets, medicine cabinets, exhaust fans, ventilation ducts, registers, grilles and similar fixtures which serve only one Unit but which encroach into any part of any Common Elements or Limited Common Elements on the date this Declaration is recorded or was thereafter installed by Declarant during the Declarant Control Period or within two (2) years after the termination thereof.

8.1.7. Units and Limited Common Elements Easement in Favor of Association. The Units and the Limited Common Elements are hereby made subject to the following easements in favor of the Association and its agents, employees and independent contractors:

a. For inspection of the Units and Limited Common Elements in order to verify the performance by Unit Owners of all items of maintenance and repair for which they are responsible;

b. For inspection, maintenance, repair and replacement of the Common Elements or the Limited Common Elements situated in or accessible from such Units or Limited Common Elements, or both; and

c. For correction of emergency conditions in one or more Units or Limited Common Elements, or both, or casualties to the Common Elements, the Limited Common Elements and/or the Units. In case of an emergency, no request or notice is required and the right of entering shall be immediate with such force as is apparently necessary to gain entrance, whether or not the Unit Owner is present at the time.

8.1.8. Record Easements. The Condominium is subject to those additional record easements and title exceptions as shown on the Plats and Plans or as listed on Exhibit "F" attached hereto.

ARTICLE IX. CONVERTIBLE REAL ESTATE

Section 9.1. Convertible Real Estate. Declarant hereby explicitly reserves an option, until the seventh (7th) anniversary of the recording of this Declaration, to convert all or any portion of the Convertible Real Estate to Units, Limited Common Elements, Reserved Common Elements or any combination thereof from time to time in compliance with §3211 of the Act, without the consent of any Unit Owner or holder of a mortgage on any Unit. This option to convert or add may be terminated prior to such anniversary only upon the filing of an amendment to this Declaration by the Declarant. Declarant expressly reserves the right to convert any or all portions of the Convertible Real Estate at any time, at different times, in any order, without limitation and without any requirement that any other real estate be converted, added or withdrawn; provided however, that the Convertible Real Estate shall not exceed the area identified as Convertible Real Estate on the Plats and Plans. There are no other limitations or assurances on this option to convert Convertible Real Estate.

Section 9.2. Assurances Concerning Convertible Real Estate. If any portion of the Convertible Real Estate is converted, the buildings to be constructed shall be consistent in quality, size, materials and architectural style with the buildings and Units located within the area designated as Convertible Real Estate. There are no other assurances as to the description or location of any other improvements or limited common elements which may be constructed on the Convertible Real Estate. Any limited Common Elements created in the Convertible Real Estate shall be of the same general types and sizes as those within the Condominium and the proportion of Limited Common Elements to Units created within the Convertible Real Estate will be approximately equal to the proportion existing within other parts of the Condominium. All restrictions in this Declaration affecting use, occupancy and alienation of Units shall apply to Units created upon Convertible Real Estate. Upon the completion of any Units upon the Convertible Real Estate, the Percentage Interests in the Condominium shall be recomputed and reallocated in accordance with the provisions of Section 2.1 above.

Section 9.3. Withdrawable Real Estate. Declarant hereby explicitly reserves an option, until the seventh (7th) anniversary of the recording of this Declaration, to withdraw all or any portion of the Convertible Real Estate in compliance with §3212 of the Act.

a. In the event Declarant withdraws any portion of the Convertible Real Estate, Declarant shall file an amendment containing a legally sufficient description of the real estate being withdrawn. The amendment shall reallocate Common Element interests, votes in the Association and Common Expense liabilities to the remaining Units in the Condominium in proportion to the respective interests, votes and liabilities of those Units before the withdrawal, and the reallocation is effective when the amendment is recorded.

b. Declarant shall provide easements for access, egress and ingress, utilities, signs and drainage across the Common Elements for the benefit of the withdrawn real estate if necessary. The Declarant may also provide for corresponding easements across any withdrawn real estate for the benefit of the Condominium.

Section 9.4. Phasing of Development on Convertible Real Estate. No assurances are made by the Declarant regarding the portions of the areas shown as Convertible Real Estate on the Plans and Plat as to the portions where the Declarant will exercise its option to convert the real estate or the order in

which such portions, or all of the areas, will be developed. The exercise of Declarant's option to convert a certain portion of the Convertible Real Estate will not obligate the Declarant to exercise its option as to other portions.

ARTICLE X. ASSESSMENT AND COLLECTION OF COMMON EXPENSES

Section 10.1. Apportionment of Common Expenses. All Common Expenses shall be assessed against all Units equally.

Section 10.2. Initial Capital Payment. Declarant, as agent for the Executive Board shall collect from each initial purchaser at the time of settlement an "initial capital payment" equivalent to twice the estimated monthly assessment for common expenses for each Unit. The Declarant shall deliver the funds so collected to the Association to provide the necessary working capital for the Unit Owners Association. Such funds may be used for certain prepaid items, initial equipment, supplies, organizational costs and other start-up costs and for such other purposes as the Executive Board shall determine.

Section 10.3. Reserves for Replacement. Each annual budget for monthly assessments of Common Expenses shall include an amount reasonably considered by the Executive Board to be sufficient as a reserve for replacements and contingencies. If the reserves are inadequate for any reason, including non-payment of any Unit Owner's assessment, the Executive Board may at any time levy a further assessment, which shall be assessed against the Unit Owners equally and which may be payable in a lump sum or in installments as the Executive Board may determine. The Executive Board shall serve notice of such further assessment on Unit Owners by a statement in writing giving the amount and reasons therefor, and such further assessment shall, unless otherwise specified in the notice, become effective with the next monthly payment which is due more than ten (10) days after delivery of such notice of further assessment. All Unit Owners so notified shall be obligated to pay the adjusted monthly amount or, if such further assessment is not payable in installments, the amount of such assessment. Such assessment shall be a lien as provided hereinafter.

Section 10.4. Common Expenses Attributable to Fewer Than All Units.

a. Any Common Expense for services provided by the Association to an individual Unit at the request of the Unit Owner shall be assessed against the Unit which benefits from such service.

b. Any insurance premium increase attributable to a particular Unit by virtue of activities in or construction of the Unit shall be assessed against that Unit.

c. An assessment to pay a judgment against the Association may be made only against the Units in the Condominium at the time the judgment was entered and shall be shared equally by such Unit Owners.

e. If a Common Expense is caused by the misconduct of a Unit Owner, the Association may assess that expense exclusively against that Unit Owner's Unit.

f. Fees, charges, late charges, fines, collections, costs and interest charged against a Unit Owner pursuant to the Declaration, the By-Laws and the Act are enforceable as Common Expense assessments.

Section 10.5. Common Expenses Pursuant to Original Declaration. Common Expenses assessed pursuant to this Declaration of Condominium shall be in addition to the Common Expenses permitted under the Original Declaration of Covenants, Conditions and Restrictions applicable to the Canterbury Crossing Planned Residential Development in Article V.

Section 10.6. Annual Assessments Pursuant to Original Declaration. Each Unit Owner may be directly assessed a proportionate share of the annual assessments established by the Board of Directors of the Canterbury Crossing Homeowner's Association, Inc. of which each Unit Owner is a member in addition to membership in the Condominium Association pursuant to this Declaration. Such annual assessments shall be made pursuant to Article V, Sections 2, 3 and 4.

Section 10.7. Lien.

a. The Association has a lien on a Unit for an assessment levied against a Unit or fines imposed against its Unit Owner from the time the assessment or fine becomes due. Fees, charges, late charges, fines and interest charges pursuant to the Act and the Declaration and the By-laws are enforceable as assessments under this section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

b. A lien under this section is prior to all other liens and encumbrances on a Unit except:

(1) a lien and encumbrance recorded before the recordation of the Declaration;

(2) a first mortgage on the Unit recorded before the date on which the assessment sought to be enforced became delinquent; and

(3) liens for real estate taxes and other governmental assessments or charges against a Unit. A lien under this section is also prior to all mortgages described in Article XII to the extent of the Common Expense assessments based on the periodic budget adopted by the Association pursuant to Section 10.8 of this Article which would have become due in the absence of acceleration during the six (6) months immediately preceeding institution of an action to enforce either the Association's lien or a security interest described in subsection 2 of this Section 10.7. This subsection does not affect the priority of mechanics or materialmens liens or the priority of a lien for other assessments made by the Association. A lien under this section is not subject to the provision of dower or curtesy or other exemptions excluded in subsection 3315(b) of the Act.

c. Recording of the Declaration constitutes record notice and perfection of the lien. Further recording of a claimant lien for assessment under this section is not required.

d. A lien for an unpaid assessment is extinguished unless proceedings to enforce a lien are instituted within three (3) years after the full amount of the assessment becomes due; provided, that if an owner of a Unit subject to a lien under this section files a petition for relief under the United States Bankruptcy Code, the period of time for instituting proceedings to enforce the Associations lien shall be tolled until thirty (30) days after the automatic stay of proceedings under Section 362 of the Bankruptcy Code is lifted.

e. This section does not prohibit an action to recover sums for which subsection (a) of this section creates a lien or prohibit the Association from taking in lieu of foreclosure.

f. A judgment or decree in any action brought under this section shall include costs and reasonable attorneys fees for the prevailing party.

g. A judgment or decree in an action brought under this section is enforceable by execution under the Commonwealth of Pennsylvania statute on judgment executions.

h. The Association lien must be foreclosed as a mortgage, or as a lien as foreclosed under the Commonwealth of Pennsylvania non judicial foreclosure proceedings.

i. In any action by the Association to collect assessments or to foreclose a lien for unpaid assessments, the court may appoint a receiver of the Unit Owner to collect all sums alleged to be due from that Unit Owner prior to or during the pendency of the action. The court may order the receiver to pay any sums held by the receiver to the Association during the pendency of the action. To the extent of the Association's Common Expense assessments based on a periodic budget adopted by the Association pursuant to Section 10.8 of this Declaration.

j. If a holder of a first or second mortgage on a Unit forecloses that security interest, the purchaser at the foreclosure sale is not liable for any unpaid assessments against that Unit which came due before the sale, other than the assessments which were prior to that mortgage under subsection 10.7(b)(2) of this Declaration. Any unpaid assessments not satisfied from the proceeds of the sale become Common Expenses collectible from all the Unit Owners including the purchaser.

k. In the case of foreclosure under Commonwealth of Pennsylvania non judicial foreclosures, the Association shall give reasonable notice of its action to each of the lien holders of a Unit whose interest would be affected.

l. Any payments received by the Association in discharge of a Unit Owners obligation may be applied to their oldest balance due.

Section 10.8. Budget Adoption and Ratification. Within thirty (30) days after adoption of the proposed budget for the Condominium, the Executive Board shall provide a summary of the budget to each Unit Owner, and shall set a date for a meeting of the Unit Owners to consider ratification of the budget not less than fourteen (14) nor more than thirty (30) days after mailing of the summary. Unless at that meeting a majority of all Unit Owners rejects the budget, the budget is ratified whether or not a quorum is present. If the proposed budget is rejected the periodic budget last ratified by the Unit Owners continues until the Unit Owners ratify a budget proposed by the Executive Board.

Section 10.9. Ratification of Non Budgeted Common Expense Assessments. If the Executive Board votes to levy a Common Expense assessment not included in the current budget other than one enumerated in Section 10.4(a) of this Declaration in an amount greater than fifteen percent (15%) of the current annual operating budget, the Executive Board shall submit such Common Expense to Unit Owners for ratification in the same manner as the budget under Section 10.8.

Section 10.10. Certificate of Payment of Common Expense Assessments. The Association upon written request shall furnish to a Unit Owner a statement in recordable form setting out the amount of unpaid assessments against a Unit. The statement shall be furnished within ten (10) days after receipt of the request and is binding on the Association Executive Board and each Unit Owner.

Section 10.11. Monthly Payment of Common Expenses. All Common Expenses assessed under Sections 10.1 and 10.4 of this Declaration shall be due and payable monthly on the first day of the month for the current month's assessment.

Section 10.12. Acceleration of Common Expense Assessments. In the event of default for a period of ten (10) days by any Unit Owner in the payment of any Common Expense assessment levied against his or her Unit, the Executive Board shall have the right after notice and hearing to declare all unpaid assessments for the pertinent fiscal year to be immediately due and payable.

Section 10.13. Commencement of Common Expense Assessments. Common Expense assessments shall begin on the first day of the month in which conveyance of the first Unit to a Unit Owner other than the Declarant occurs.

Section 10.14. No Waiver of Liability for Common Expenses. No Unit Owner may exempt himself or herself from liability or for payment of the Common Expenses by waiver of the use or enjoyment of the Common Elements or by abandonment of the Unit against which the assessments are made.

Section 10.15. Personal Liability of Unit Owners. The Unit Owner of a Unit at the time a Common Expense assessment or a portion thereof is due and payable, is personally liable for the assessment. Personal liability for the assessment shall not pass to a successor in title to the Unit unless he or she agrees to assume the obligation.

ARTICLE XI. USE RESTRICTIONS

Section 11.1. Rules and Regulations.

a. The occupancy and use of the Units and Common Elements including those Units constructed on Convertible Real Estate shall be subject to the following restrictions;

(i) The Units in the Condominium (with the exception of any Units during the time period when they are being used by the Declarant as a sample, model or sales office) are restricted to single family residential use and may not be used for any other purposes by the Unit Owner or any future Unit Owner. No Unit Owner shall permit his Unit to be used or occupied for any prohibited purposes.

(ii) A Unit Owner is prohibited from making any alteration, installation, removal, reconstruction or repair to his Unit or Units which will impair the structural integrity of the building or any mechanical or electrical system therein; or adversely affect either the thermal or acoustical character of the building; or lessen the support of any portion of the building; or violate any applicable law, ordinance or governmental rule, regulation or order.

(iii) No drying or airing of any clothing or bedding shall be permitted outdoors within the area of any Unit or Common Elements and clothes hanging devices such as lines, reels, poles, frames, etc., shall not be erected.

(iv) Refuse containers provided by Owner shall not be placed on any street, sidewalk, parking area or in the Common Elements except when necessary for collection.

(v) No boats of any type shall be permitted on a Unit or Common Elements.

(vi) No outside radio or television antennas (including satellite dishes) shall be erected on any Unit or Common Element unless approval of the same has been granted by the Association or its designated committee.

(vii) No commercial or other non-passenger vehicle of any type and no unlicensed or non-operational motor vehicle of any type shall be permitted to remain overnight on any Common Element or on any street or on any Unit, other than as may be used by Declarant in conjunction with construction activities.

(viii) No noxious, unsightly or offensive activity, including vehicle repairs, shall be conducted in any Unit or on any Common Elements or the streets nor shall anything be permitted to be done thereon which may be or may become an annoyance or nuisance to other Unit Owners.

(ix) No animals, livestock, or poultry of any kind shall be raised, bred or kept on any Unit except that dogs,

not larger than seventy (70) pounds, cats or other domesticated household pets may be kept, provided they are not kept, bred or maintained for any commercial purpose and further providing that no more than two (2) pets in the aggregate may be kept in any such Unit unless otherwise authorized by the Association, and said pets must be housed indoors and Owners shall conform to all local ordinances and regulations applicable to such animals.

(x) No sign of any kind shall be displayed to public view on any Unit except those used by the Declarant or approved by the Association.

b. Reasonable Rules and Regulations, not in conflict with the provisions of this Declaration, concerning the use and enjoyment of the Property may be promulgated from time to time by the Executive Board, subject to the right of the Association to change such Rules and Regulations. Copies of the then current Rules and Regulations and any amendments thereto shall be furnished to all Unit Owners by the Executive Board promptly after the adoption of such Rules and Regulations or any amendments thereto.

ARTICLE XII. MORTGAGES

Section 12.1. Requirements.

a. Any mortgage or other lien on a Unit and the obligations secured thereby shall be deemed to provide, generally, that the mortgage or other lien instrument and the rights and obligations of the parties thereto shall be subject to the terms and conditions of the Act and this Declaration and shall be deemed to provide specifically, but without limitation, that the mortgagee or lien holder shall have no right (i) to participate in the adjustment of losses with insurers or in the decision as to whether or not or how to repair or restore damage to or destruction of the Property; or (ii) to receive or apply the proceeds of insurance to the reduction of the mortgage debt or otherwise, except in the event and to the extent either a distribution of such proceeds to Unit Owners pursuant to Section 3312(g) of the Act or of insurance proceeds in excess of the cost of repair or restoration being received by the owner of the Unit encumbered by such mortgage; or (iii) to accelerate the mortgage debt or to have any other remedies on the Property other than within the affected Unit, and the obligation secured shall be prepayable, without penalty, upon the happening of any termination of the Condominium or determination not to restore or replace the affected Unit.

(i) Nothing contained in this Section 12.1 (a) hereinabove or elsewhere in this Declaration shall give a Unit Owner, or any other party, priority over any rights of the mortgagee of a Unit pursuant to its mortgage in case of a distribution to such Unit Owner of insurance proceeds or condemnation awards for loss to or a taking of one or more Units and/or Common Elements.

b. No Unit Owner or purchaser of a Unit shall deliver any mortgage or other lien instrument secured by a Unit, or any obligation to be secured thereby, unless it has first notified the Executive Board of the name and address of the proposed mortgagee or lien holder, the amount of the debt proposed to be so secured, and has submitted to the Executive Board a copy of the form of the proposed mortgage and note or other instrument of obligation. When a mortgage other than (i) a first mortgage or (ii) a junior mortgage to the Declarant or Seller of a Unit is delivered to the Executive Board, the Executive Board shall promptly notify the proposed mortgagee whether such mortgage has been approved by the Executive Board as an Eligible Mortgage.

Section 12.2. Eligible Mortgagees.

a. When an Eligible Mortgage is delivered to the Eligible Mortgagee or other lien holder, the Unit Owner shall simultaneously provide executed or conformed copies to the Executive Board. Upon receipt of such copy of an Eligible Mortgage, the Secretary of the Executive Board shall instruct the insurer of the Property to add the name of the Eligible Mortgagee to the mortgagee loss payable provision of the hazard insurance policy covering the Property and to provide such Eligible Mortgagee with a Certificate of Insurance showing that the Eligible Mortgagee's name has been so added.

b. The Secretary shall maintain a register of Eligible Mortgages, showing the names and addresses of the Eligible Mortgagees, the amount secured by each Eligible Mortgage and whether it is a first mortgage.

Section 12.2.1. Upon the specific written request of a holder of an Eligible Mortgage on a Unit or its servicer to the Executive Board, the Eligible Mortgagee shall be entitled to receive some or all of the following as designated in the request;

a. Copies of budgets, notices of assessment or any other notices or statements provided under this Declaration by the Executive Board to the owner of the Unit covered by the mortgage;

The Executive Board shall be under no obligation to inquire into the validity of any request made hereunder by an Eligible Mortgagee. The Executive Board may refuse to honor any request where, after reasonable inquiry, it shall determine that the person making such request is not entitled to the material so requested and may establish reasonable rules to implement this subsection 12.2.2.

12.2.3. Failure to comply with the requirements set forth above shall in no way invalidate the otherwise proper actions of the Association and the Executive Board.

12.2.4. Any Eligible Mortgagee shall have the right, exercisable upon written request to the Executive Board, to examine the books and records of the Association at any reasonable time.

Section 12.3. Approval of Mortgagees. Subject to the limitations imposed by Section 3221 of the Act:

a. The prior written approval of holders of first mortgages of Units representing at least sixty-seven percent (67%) of the votes of Units subject to first mortgages shall be required to terminate the condominium status of the Property for reasons other than substantial destruction or condemnation of the Property;

b. The prior written approval of at least two-thirds (2/3) of the holders of first mortgages on Units (based upon one (1) vote for each first mortgage owned) shall be required for any of the following:

(i) the termination or abandonment of the condominium status of the Property except for termination or abandonment as a result of condemnation or substantial loss to the Units and/or Common Elements;

(ii) a change in the schedule of Percentage Interests set forth in Exhibit "C" allocated to each Unit except changes resulting from Convertible Real Estate;

(iii) the partition or subdivision of any Unit or the Common Elements;

(iv) the abandoning, encumbering, selling or transferring of the Common Elements (the granting of easements for public utilities or for other public purposes consistent with the intended uses of the Common Elements shall not be deemed a transfer within the meaning of this subsection); and

(v) the use of hazard insurance proceeds for losses to any Condominium Property (whether to Units or to Common Elements) for other than the repair, replacement or reconstruction of such Condominium Property.

c. The prior written approval of holders of first mortgages of Units representing at least fifty-one percent (51%) of the votes of the Units subject to first mortgages shall be required to make an amendment of a material nature to the Condominium Documents. A change of the provisions of any Condominium Document directly relating to any of the following shall for this purpose be considered material;

- (i) Voting rights;
- (ii) Assessments, assessment liens or subordination of assessment liens;
- (iii) Reserves for maintenance, repair and replacement of the Common Elements;
- (iv) Responsibility for maintenance and repairs;
- (v) Reallocation of interests in the Common Elements or Limited Common Elements or rights to their use;
- (vi) Boundaries of any Unit;
- (vii) Convertibility of Units into Common Elements or of Common Elements into Units;
- (viii) Expansion or contraction of the project or the addition, annexation or withdrawal of property to or from the project;
- (ix) Insurance or fidelity bonds;
- (x) Leasing of Units by the Declarant;
- (xi) Imposition of any restrictions on a Unit Owner's right to sell or transfer his or her Unit;
- (xii) A decision by the Association to establish self-management when professional management had been required previously by an Eligible Mortgagee;
- (xiii) Restoration or repair of the project (after a hazard damage or partial condemnation) in a manner other than that specified in the Condominium Documents;

(xiv) Actions to terminate the legal status of the project after substantial destruction or condemnation occurs; or

(xv) Provisions that expressly benefit holders, insurers or guarantors of Eligible Mortgages.

d. Notwithstanding anything to the contrary in this Section 12.3, written approval of holders of first mortgages on Units shall not be required for an amendment to this Declaration made pursuant to Section 2.2.10 hereof.

ARTICLE XIII. LEASING

Section 13.1. Leasing. A Unit Owner may lease or sublease his Unit (but not less than his entire Unit) at any time and from time to time provided that:

a. No Unit may be leased or subleased without a written lease or sublease;

b. No Unit may be leased or subleased for a term of less than sixty (60) days;

c. A copy of such lease or sublease shall be furnished to the Executive Board within ten (10) days after execution thereof; and

d. The rights of any lessee or sublessee of the Unit shall be subject to, and each such lessee or sublessee shall be bound by, the covenants, conditions and restrictions set forth in the Declaration, By-Laws and Rules and Regulations, and a default thereunder shall constitute a default under the lease or sublease; provided, however, that the foregoing shall not impose any direct liability on any lessee or sublessee of a Unit to pay any Common Expense assessments or special assessments on behalf of the owner of that Unit.

e. All leases of a Unit shall be deemed to include a provision that the tenant will recognize and attorn to the Association as landlord, solely for the purpose of having the power to enforce a violation of the provisions of the Condominium Documents against the tenant, provided the Association gives the landlord notice of its intent to so enforce and or reasonable opportunity to cure the violation prior to the commencement of an enforcement action.

13.1.1. Notwithstanding the foregoing, the provisions of subsection 13.1 shall not apply to a holder of a first mortgage who is in possession of a Unit following a default in such mortgage, a foreclosure proceeding or any deed or other arrangement in lieu of foreclosure.

ARTICLE XIV. DECLARANT'S RIGHTS

Section 14.1. Declarant Control of the Association.

14.1.1. Subject to subsection 14.1.2, there shall be a period of Declarant control of the Association, during which a Declarant or persons designated by the Declarant, may appoint and remove the officers and members of the Executive Board. The period of Declarant control terminates no later than the earlier of:

a. sixty (60) days after conveyance of seventy-five percent (75%) of the Units that may be created, to Unit Owners other than a Declarant;

b. two (2) years after all Declarants have ceased to offer Units for sale in the ordinary course of business; or

c. two (2) years after any right to add new Units was last exercised;

d. five (5) years after the first Unit is conveyed to a Unit Owner other than a Declarant.

A Declarant may voluntarily surrender the right to appoint and remove officers and members of the Executive Board before termination of that period, but in that event, the Declarant may require, for the duration of the period of Declarant Control, that specified actions of the Association or Executive Board, as described in a recorded instrument executed by the Declarant, be approved by the Declarant before they become effective.

Section 14.1.2. Not later than sixty (60) days after conveyance of twenty-five percent (25%) of the Units that may be created to Unit Owners other than Declarant, at least one member and not less than twenty-five percent (25%) of the members of the Executive Board shall be elected by Unit Owners other than Declarant. ARTICLE XV. UNITS SUBJECT TO CONDOMINIUM DOCUMENTS; EMINENT DOMAIN

Section 15.1. Applicability of Condominium Documents. Each present and future owner, lessee, occupant and mortgagee of a unit shall be subject to and shall comply with the provisions of the Act, this Declaration (including the Plats and Plans), the By-Laws and the Rules and Regulations and with the covenants, conditions and restrictions as set forth in the deed to such Unit; provided that nothing contained herein shall impose upon any lessee or mortgagee of a Unit any obligation which the Act or one or more of such documents, or both, make applicable only to Unit Owners (including, without limitation, the obligation to pay assessments for Common Expenses). The acceptance of a deed or mortgage to any Unit, or the entering into of a lease or the entering into occupancy of any Unit, shall constitute an agreement that the provisions of the Act, this Declaration (including the Plats and Plans), the By-Laws, the Rules and Regulations and the covenants, conditions and restrictions set forth in the deed to such Unit are accepted and ratified by such grantee, mortgagee or lessee insofar as applicable. All of such provisions shall be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance, mortgage or lease thereof.

Section 15.2. Eminent Domain. Whenever all or part of the Common Elements shall be taken, injured or destroyed by eminent domain, the Association shall represent the Unit Owners in negotiations, settlements and agreements with the condemning authority. Each Unit Owner appoints the Association as attorney-in-fact for this purpose. Each Unit Owner shall be entitled to notice thereof; but in any proceedings for the determination of damages, such damages shall be determined for such taking, injury or destruction as a whole and not for each Unit Owner's interest therein. The award or proceeds of settlement shall be payable to the Association for the use and benefit of the Unit Owners and their mortgages as their interests may appear.

ARTICLE XVI. EXECUTIVE BOARD OF THE ASSOCIATION

Section 16.1. Powers of Executive Board. The Executive Board of the Association shall possess all of the duties and powers granted to the Executive Board by the Act.

Section 16.2. Composition of Executive Board. At such Transition Election, all Unit Owners other than the Declarant shall have the right to vote for such two (2) additional Executive Board members. Section 16.3. Disputes. In the event of any dispute or disagreement between any Unit Owners relating to the Property, or any questions of interpretation or application of the provisions of this Declaration (including the Plats and Plans), the By-Laws or the Rules and Regulations, the ultimate determination with respect thereto by the Executive Board following an appeal to such Executive Board from the Association body making a determination in the first instance shall be final and binding on each and all such Unit Owners. The Executive Board shall have the authority to seek a declaratory judgment or other appropriate judicial relief or offer to assist it in

carrying out its responsibilities under this Section 16.3. All costs of obtaining such a judgment shall be borne by the disputants or, in the absence of disputants, by the Association as a Common Expense.

Section 16.4. Amendments to the Condominium Documents. The Condominium Documents may be amended only in accordance with the Act and the Condominium Declaration and By-Laws. Notwithstanding any other provisions of this Declaration to the contrary, if any amendment is necessary in the judgment of the Executive Board to cure any ambiguity or to correct or supplement any provisions of the Condominium Documents that are defective, missing or inconsistent with any other provisions thereof, or if such amendment is necessary to conform to the requirements of the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Federal Housing Administration, the Veterans Administration or other secondary mortgage market lenders, guarantors or insurers with respect to condominium projects, then at any time and from time to time the Executive Board may effect an appropriate corrective amendment without the approval of the Unit Owners or the holders of any liens on all or any part of the Property, upon receipt by the Executive Board of an opinion from independent legal counsel to the effect that the proposed amendment is permitted by the terms of this sentence. Each amendment of the type described in this Section 16.4 shall be effective upon the recording of an appropriate instrument setting forth the amendment and its due adoption, which instrument has been executed and acknowledged by one or more officers of the Executive Board.

Section 16.5. Abating and Enjoining Violations by Unit Owners. The violation of any Rules and Regulations adopted by the Executive Board, the breach of any provision contained in the By-Laws or the breach of any provision of this Declaration or the Act by a Unit Owner shall give the Executive Board and any aggrieved Unit Owner the right, in addition to any other rights to which it may be entitled, to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach.

ARTICLE XVII. THE RELOCATION OF BOUNDARIES BETWEEN ADJOINING UNITS

Section 17.1. Application and Amendment. Subject to approval of any structural changes or required permits pursuant to Article VII, the boundaries between adjoining Units may be relocated by an amendment to the Declaration upon application to the Association by the owners of the Units affected by the relocation. If the owners of the adjoining Units have specified

a reallocation between their Units of their Percentage Interest, the application shall state the proposed reallocations. Unless the Executive Board determines, within thirty (30) days after the receipt of the application that the reallocations are unreasonable, the Association shall consent to the reallocation and prepare an amendment that identifies the Units involved, states the reallocations and indicates the Association's consent. The amendment must be executed by those Unit Owners affected and contain words of conveyance between them and the approval of holders of mortgages in the affected Units shall be endorsed thereon. On recordation, the amendment shall be indexed in the name of the grantor and grantee and in the grantee's index in the name of the Association.

Section 17.2. Recording Amendments. The Association shall prepare and record Plats or Plans necessary to show the altered boundaries for the adjoining Units, and the Units dimension and identifying numbers. The applicants will pay for the cost of preparation of the amendment and its recording, and the reasonable consultant fees of the Association if the Executive Board deems it necessary to employ a consultant.

ARTICLE XVIII. AMENDMENTS TO DECLARATION

Section 18.1. General. Except in cases of amendments that may be executed by the Declarant in the exercise of its Special Declarant Rights or by the Association under Article XVI and Article XVII of this Declaration and Section 3209 of the Act, and except as limited by Section 3221 of the Act, this Declaration, including the Plat and Plans may be amended only by vote or agreement of Unit Owners of Units to which at least sixty-seven percent (67%) of the votes in the Association are allocated. The procedure for amendment must follow the procedures of Section 3219 of the Act

Section 18.2. Limitation of Challenges. An action to challenge the validity of an amendment by the Association pursuant to this Article may not be brought more than one (1) year after the amendment is recorded.

Section 18.3. Recordation of Amendments. Each amendment to the Declaration must be recorded in the applicable Office of the Recorder of Deeds in which a portion of the Condominium is located and the amendment is effective only upon recording.

Section 18.4. When Unanimous Consent Required. Except to the extent expressly permitted or required by other provisions of the Act an amendment may not create or increase Special Declarant Rights, increase the number of Units, change the

boundaries of a Unit, the Percentage Interest of a Unit, or the uses to which a Unit is restricted in the absence of unanimous consent of the Unit Owners.

Section 18.5. Execution of Amendments. An amendment to the Declaration required by the Act to be recorded by the Association which has been adopted in accordance with this Declaration and the Act, must be prepared, executed, recorded and certified on behalf of the Association by an officer of the Association designated for that purpose or in the absence of such designation, by the President of the Association.

The Declarant shall also record new Plats and Plans necessary to conform to the requirements of Section 3211 of the Act. The amendment to the Declaration shall assign an identifying number to each new Unit created and reallocate the Percentage Interest among all Units. The amendment shall describe any Common Elements and any Limited Common Elements created thereby and designate the Unit to which each Limited Common Element is allocated.
