Swanson, President, Maureen A. Swanson, Secretary, and Shawn M. Swanson, Treasurer, who shall serve until (a) the first meeting of the Association which shall be held within 60 days after seventy-five (75%) of the Units have been sold by the Declarant of the Condominium and shall have been paid for and title closed or (b) until two (2) years after the date of the recording of the Declaration, whichever shall first occur, and thereafter until their successors shall have been elected by the Association. All of the Members of the Executive Board except the Initial Executive Board shall be elected by the Association.

2.2 Powers and Duties. The Executive Board shall have the powers and duties necessary for the administration of the affairs of the Condominium and may do all such acts or things except as by the Declaration or by these By-Laws may not be

(a) Operation, care, upkeep and maintenance of the Common Elements, Limited Common Elements.

(b) Determination of the Common Expenses, and Limited Common Expenses required for the affairs of the Condominium, including, without limitation, the operation and maintenance of the Property. The Executive Board shall have the right to make a final determination of any claim or dispute by a Unit Owner as to whether any charge or expense applies against the Unit Owner rather than the Common Elements, and such determination shall be final, conclusive and binding.

(c) Collection of Common Expenses and Limited Common Expenses from the Unit Owners, including, without limitation, an amount for working capital of the Condominium, for a general operating reserve, for a reserve fund for replacements, and to make up any deficit in such Funds for any prior year. The Executive Board may designate an agent for the purpose of collecting such expenses and for the purpose of making disbursements therefrom on behalf of the Executive Board.

Any fine so levied is to be considered as a Limited Common Expense to be levied against the particular Unit Owner involved, and collection may be enforced by the Executive Board in the same manner as the Executive Board is

entitled to enforce collection of Common Expenses.

(h) The Executive Board may employ a managing agent and/or manager for the Condominium at a compensation to be established by the Executive Board, to perform such duties and services as the Executive Board shall authorize, including but not limited to the duties granted to the Executive Board as set forth above. All members shall be elected for one year terms. At each subsequent annual meeting of the Association three (3) directors shall be elected for one year terms. The members of the Executive Board

shall hold office until their respective successors have been elected by the Unit Owners. ##### COMMON EXPENSES; BUDGET

4.1 Fiscal Year. The fiscal year of the Association shall be the calendar year unless otherwise determined by the Executive Board; provided, however, that the first fiscal year shall begin upon the recordation of the Declaration.

##### 4.2 Preparation and Approval of Budget.

4.2.1 Annual Budget. On or before the first day of November of each year (or sixty days before the beginning of the fiscal year if the fiscal year is other than the calendar year), the Executive Board shall adopt an annual budget for the Association containing an estimate of the total amount considered necessary to pay the cost of maintenance, management, operation, repair and replacement of the Common Elements and Limited Common

Elements including the cost of wages, materials, insurance premiums, services, supplies and other expenses that may be declared to be Common Expenses, Limited Commercial Expenses or Limited Residential Expenses by the Act, the Declaration, these By-Laws or a resolution of the Association and which will be required during the ensuing fiscal year for the administration, operation, maintenance and repair of the Property and the rendering to the Unit Owners of all related services. Such budget shall also include such reasonable amounts as the Executive Board considers necessary to provide working capital, a general operating reserve and reserves for contingencies and replacements.

4.2.2 Inspection. On or before the next succeeding fifth day of November or fifty-five days before the beginning of the fiscal year if the fiscal year is other than the calendar year), the Executive Board shall make the budget available for inspection at the association office and shall send to each Unit Owner a copy of the budget in a reasonably itemized form. Such budget shall constitute the basis for determining each Unit Owner's assessments for General Common Expenses, and Limited Common Expenses of the Association and shall automatically take effect at the beginning of the fiscal year for which it is adopted, subject to Section 4.8 below.

4.2.3 Non-Compliance. The Executive Board shall make reasonable efforts to meet the deadlines set forth above, but compliance with such deadlines shall not be a condition precedent to the effectiveness of any budget.

4.3 Assessment and Payment of Common Expenses and Limited Common Expenses.

4.3.1 General Common Expenses. The Executive Board shall calculate the monthly assessments for General Common Expenses against each Unit Owner by multiplying (a) the total amount of the estimated funds required for the operation of the Common Elements set forth in the budget adopted by the Executive Board for the fiscal year in question, after deducting any income expected to be received from sources other than Common Expense assessments or from the operation of the Common Elements to which the Common Expenses pertain, by (b) the Percentage Interest (expressed in decimal form) allocated to such Unit, and dividing the resultant product by (c) the number of calendar months in such fiscal year. Such assessments shall be deemed to have been adopted and assessed against the Unit Owners on a monthly basis and not on an annual basis and shall be payable in monthly installments, to be due and payable on the first day of each calendar month and shall be a lien against each Unit Owner's Unit as provided in the act and the Declaration.

4.3.2 Limited Common Expenses. The Executive Board shall calculate the monthly assessments for Limited Common Expenses against each Unit Owner by multiplying (a) the total amount of the estimated funds required for the operation of the Limited Elements set forth in the budget adopted by the Executive Board for the fiscal year in question, after deducting any income expected to be received from sources other than the Limited

Expenses Assessments or from the operation of the Limited Common Elements to which the Limited Residential Expenses pertain, by (b) the Percentage Interest allocated to such Unit (expressed in decimal form) divided by the Percentage Interests of all Residential Units, and dividing the resultant product by (c) the number of calendar months in the fiscal year. Such assessments shall be deemed to have been adopted and assessed on a monthly basis and not an annual basis and shall be payable in monthly installments to be due and payable on the first day of each calendar month and shall be a lien against each Unit Owner's Unit as provided in the Act and the Declaration.

4.3.3 Notice. Within ninety (90) days after the end of each fiscal year, the Executive Board shall prepare and deliver to each Unit Owner and to each record holder of a mortgage on a Unit who has registered an address with the Secretary, an itemized accounting of the Expenses incurred and the funds received during such fiscal year less expenditures actually incurred and sums paid into reserves. Any net shortage with regard to Common Expenses or Limited Common Expenses, after application of such reserves as the Executive Board may determine, shall be assessed against the Unit Owners according to their respective Percentage Interests and shall be payable in one or more monthly assessments as the Executive Board may determine.

4.3.4 Reserves. The Executive Board shall build up and maintain reasonable reserves for working capital with respect to the Common Elements and the Limited Common Elements.

Extraordinary Common Expenses and/or Limited Common Expenses not originally included in the annual budget which may become necessary during the fiscal year may be charged first against such reserves. If the reserves are deemed to be inadequate for any reason, the Executive Board may at any time levy further assessments against the Unit Owners for the Common Expenses and/or Limited Common Expenses according to their respective Percentage Interests and shall be payable in one or more monthly assessments as the Executive Board may determine.

4.4 Further Assessments. The Executive Board shall serve notice on all Residential Unit Owners of any further assessments pursuant to Sections 4.3.1, 4.3.2, 4.3.3, or 4.3.4 or otherwise as permitted or required by the Act, the Declaration and these By-Laws by a statement in writing giving the amount and reasons therefor, and such further assessments shall, unless otherwise specified in the notice, become effective with the next monthly assessment which is due more than ten days after the delivery of such notice of further assessments. All Unit Owners so assessed shall be obligated to pay the amount of such monthly assessments. Such assessments shall be a lien as of the effective date as set forth in the preceding Sections 4.3.1, 4.3.2, 4.3.3, and 4.3.4.

4.5 Initial Budget. At or prior to the time assessment of Common Expenses, and Limited Common Expenses commences, the Executive Board shall adopt the budget, as described in this Article, for the period commencing on the date of

Executive Board determines that assessments shall begin and ending on the last day of the fiscal year during which such commencement date occurs. Assessments shall be levied and become a lien against the Units during such period as is provided in Section 4.4 above.

4.6 Effect of Failure to Prepare or Adopt Budget.

The failure or delay of the Executive Board to prepare or adopt a budget for any fiscal year shall not constitute a waiver or release in any manner of a Unit Owner's obligation to pay his allocable share of the Expenses, as herein provided whenever the same shall be determined and, in the absence of any annual budget or adjusted budget, each Unit Owner shall continue to pay each monthly assessment at the rate established for the previous fiscal year until the new annual or adjusted budget shall have been adopted.

4.7 Accounts; Audits. All books and records of the Association shall be kept in accordance with good and accepted accounting practices, and the same shall be audited at least once each year by an independent accountant retained by the Executive Board.

4.8 Rejection of Budget; Limitations on Expenditures and Borrowing. Anything herein to the contrary notwithstanding, the Association, by majority vote of all votes in the Association, may reject any budget or capital expenditures approved by the Executive Board. The power of the Executive Board to incur expenses, debts or borrow money on behalf of the

Association is subject to the requirement that the consent of all Unit Owners entitled to cast at least two-thirds of the votes in the Association must be obtained at a meeting duly called and held for such purpose in accordance with the provisions of these By-Laws to (i) incur expenses which would cause the aggregate amount of all expenses in the budget to be exceeded by more than 5% of such aggregate amount or (ii) to incur debts or borrow money which would cause the aggregate amount of all debts and loans of the Association then outstanding to exceed 5% of such aggregate amount.

4.9 Payment of Common Expenses and Limited Common Expenses. Each Unit Owner shall pay the Expenses assessed or billed by the Executive Board pursuant to the provisions of this Article IV. No Unit Owner may exempt himself from liability for his contribution toward such Expenses by waiver of the use or enjoyment of any of the Common Elements or Limited Common Elements or by abandonment of his Unit. No Unit Owner shall be liable for the payment of any part of the Expenses assessed or billed against his Unit subsequent to the date of recordation of a conveyance by him in fee of such Unit. The purchaser of a Unit shall be jointly and severally liable with the selling Unit Owner for all unpaid assessments or billings assessed or billed against the selling Unit Owner's Unit up to the time of such recordation, without prejudice to the purchaser's right to recover from the selling Unit Owner amounts paid by the purchaser therefor; provided, however, that any such purchaser shall be entitled to a statement

setting forth the amount of the unpaid assessments or billings against the selling Unit Owner within five days following a written request therefor to the Executive Board or managing Agent; and provided further that subject to Section 3315(b)(2) of the Act, each record holder of a mortgage on a Unit who comes into possession of a Unit by virtue of foreclosure or by deed or assignment in lieu of foreclosure, or any purchaser at a foreclosure sale, shall take the Unit free of any claims for unpaid assessments, billings or charges against such Unit which accrue prior to the time such holder comes into possession thereof, except for claims for a pro rata share of such assessments, billings or charges resulting from a pro rata reallocation of such assessments, billings or charges to all Units including the mortgaged Unit.

4.10 Collection of Assessments. The Executive Board or the Managing Agent, at the request of the Executive Board, shall take prompt action to collect any assessments or bills for Expenses, due from any Unit Owner which remain unpaid for more than thirty days from the date for payment thereof. Any assessment or bill not paid within five days after its due date shall accrue a late charge in the amount of 5% of the overdue assessment or bill in addition to interest at the rate of 15% per annum or such other rate as may be determined by the Executive Board.

4.11 Statement of Common Expenses. The Executive Board shall promptly provide any Unit Owner, contract purchaser or

proposed mortgagee so requesting the same in writing with a written statement of all unpaid assessments or bills for Common Expenses and Limited Common Expenses due from such Unit Owner. The Executive Board may impose a reasonable charge for the preparation of such statement to cover the cost of its preparation, to the extent permitted by the Act.

## ARTICLE V

### COMPLIANCE AND DEFAULT

5.1 Relief. Each Unit Owner shall be governed by, and shall comply with, all of the terms of the Declaration, these By-Laws, the Rules and Regulations and the Act, as any of the same may be amended from time to time. In addition to the remedies provided in the Act and the Declaration, a default by a Unit Owner shall be entitled the Association, acting through its Executive Board or through the Managing Agent, to the following relief:

(a) Additional Liability. Each Unit Owner shall be liable for the expense of all maintenance, repair or replacement rendered necessary by his act, neglect or carelessness or the act, neglect or carelessness of his tenants, guests, invitees or licensees, but only to the extent that such expense is not covered by the proceeds of insurance carried by the Executive Board. Such liability shall include any increase in casualty insurance premiums occasioned by improper use, misuse, occupancy or abandonment of any Unit or its appurtenances. Nothing

contained herein, however, shall be construed as modifying any waiver by any insurance company of its right of subrogation.

(b) Costs and Attorney's Fees. In any proceedings arising out of any alleged default by a Unit Owner, the prevailing party shall be entitled to recover the costs of such proceedings and such reasonable attorney's fees as may be determined by the court.

(c) No Waiver of Rights. The failure of the Association, the Executive Board or of a Unit Owner to enforce any right, provision, covenant, or condition which may be granted by the Declaration, these By-Laws, the Executive Board Rules and Regulations or the Act shall not constitute a waiver of the right of the Association, the Executive Board or the Unit Owner to enforce such right, provision, covenant or condition in the future. All rights, remedies and privileges granted to the Association, the Executive Board or any Unit Owner pursuant to any term, provision, covenant or condition of the Declaration, these By-Laws, the Rules and Regulations or the Act shall be deemed to be cumulative and the exercise of any one or more thereof shall not be deemed to constitute an election of remedies, nor shall it preclude the party exercising the same from exercising such other privileges as may be granted to such party by the Declaration, these By-Laws, the Rules and Regulations or the Act or at law or in equity.

(d) Abating and Enjoining Violations by Unit Owners. The violation of any of the Executive Board Rules and

Regulations adopted by the Executive Board, the breach of any By-Law contained herein or the breach of any provision of the Declaration or the Act shall give the Executive Board the right, in addition to any other rights: (a) to enter the Unit in which, or as to which, such violation or breach exists and summarily to abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions hereof, and the Executive Board shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach.

## ARTICLE VI

### AMENDMENTS

6.1 Amendment by By-Laws. These By-Laws may be modified or amended only by vote of Unit Owners entitled to cast a majority of the votes in the Association, except as otherwise expressly set forth herein or in the Act; provided, however, that until the date on which all Declarant-appointed Board members voluntarily resign or are required to resign pursuant to provisions of the Declaration or these By-Laws these By-Laws may not be amended without the consent in writing of Declarant. Additionally, if any amendment is necessary in the judgment of the Executive Board to cure any ambiguity or to correct or supplement any provision of these By-Laws that is defective, missing or

inconsistent with any other provision hereof, or with the Act or the Declaration, then at any time and from time to time the Executive Board may affect an appropriate corrective amendment without the approval of the Unit Owners or the holders of any liens on all or any part of the Property, upon receipt by the Executive Board of an opinion from independent legal counsel to the effect that the proposed amendment is permitted by the terms of this sentence.

6.2 Approval of Mortgagees. These By-Laws contain provisions concerning various rights and interests of record holders of mortgages on Units. Such provisions in these By-Laws are to be construed as covenants for the protection of such holders on which they may rely in making loans secured by such mortgages. Accordingly, no amendment or modification of these By-Laws impairing or affecting such rights, priorities, remedies or interests of such a holder shall be adopted without the prior written consent of such holders who have registered an address with the Secretary.

6.3 Amendments to the Declaration. Any two officers of Executive Board members of the Association may prepare, execute, certify and record amendments to the Declaration on behalf of the Association.

## ARTICLE VII

Unit Owner shall furnish and be responsible for and at his own expense, all of the maintenance, repairs and replacements within his Unit and Limited Common Elements defined in the Declaration; provided, however, that such maintenance, repairs and replacements as may be required for the bringing of water, and electricity, to the Unit, shall be furnished by the Executive Board as part of the Common Expenses. Maintenance repairs and replacements of the refrigerators, ranges, dishwashers and other kitchen appliances and lighting fixtures, and other electrical appliances of any Unit Owner shall be at the expense of such Unit Owner. Each Unit Owner shall be responsible for the repair and replacement of all windows of his Unit.

7.2 Damage by Negligent acts. 7.3 Maintenance of Equipment, Fixtures, etc. To the extent that equipment, facilities and fixtures within any Unit or Units shall be connected to similar equipment, facilities or fixtures affecting or serving other Units, the Common Elements or

the Limited Common Elements then the use thereof by the individual Unit Owners shall be subject to the control of the Executive Board. The authorized representatives of the Executive Board, or of the manager or managing agent for the Building, shall be entitled to reasonable access to the individual Units as may be required in connection with the maintenance, repairs, or replacements of or to the Common Elements or Limited Common Elements or any equipment, facilities or fixtures affecting or serving other Units or the Common Elements or Limited Common Elements.

7.4 Decorating and Maintenance of Units and Common Elements. Each Unit Owner shall furnish and be responsible for and at his own expense, all of the decorating within his own Unit, including painting, wall papering, washing, cleaning, paneling, floor covering, draperies, window shades, curtains, lamps and other furnishings and interior decorating. Each Unit Owner shall be entitled to the exclusive use of the interior surfaces of the perimeter walls, floors and ceilings, which constitute the exterior boundaries of his Unit, and such Unit Owner shall maintain the interior surfaces in good condition at his sole expense as may be required from time to time, which said maintenance and use shall be subject to the control of the Executive Board. The interior surface of all windows forming part of the perimeter wall of a Unit shall be cleaned or washed at the expense of each respective Unit Owner. Decorating of the Common Elements (other than interior surfaces within the Units as above

provided), and any re-decorating of Units to the extent made necessary by any damage to existing decorating of such Units caused by maintenance, repair or replacement work on the Common Elements by the Executive Board, shall be furnished by the Executive Board as part of the Common Expenses.

7.5 Alterations. No alterations of any Limited Common Elements or Common Elements, or any additions or improvements thereto, shall be made by any Unit Owner without the prior written approval of the Executive Board. In addition, (a) plans prepared and certified by an Architect or Professional Engineer duly registered or licensed in Pennsylvania must be provided to the Executive Board for such work. Such plans must demonstrate to the satisfaction of the Executive Board that such alternations, additions or improvements will not diminish the structural integrity of the building in any way whatsoever. The plans shall be otherwise subject to the approval of the Executive Board, not to be unreasonably withheld; (b) Any Unit Owner causing work to be done and his contractor doing said work must produce evidence of adequate liability and property insurance for the protection of the Association, including but not limited to the following:

(i) Claims under Worker's or Workmen's Compensation, disability benefit and other similar employee benefit acts;

(ii) Claims for damages because of bodily injury, occupational sickness or disease, or death of his employ-

ees;

(iii) Claims for damages because of bodily injury, sickness or disease, or death of any person other than his employees;

(iv) Claims from damages insured by usual personal injury liability coverage which are sustained by (a) any person as a result of an offense directly or indirectly related to the employment of such person by the contractor, or (b) by any other persons;

(v) Claims for damages, other than to the work itself because of injury to or destruction of tangible property, including loss of use resulting therefrom; and

(vi) Claims for damages because of bodily injury or death of any person or property damage arising out of the ownership, maintenance, or use of any motor vehicle.

(c) all contracts for such work must be "no-lien contracts", and  
(d) all necessary permits must be obtained. All the above terms must be submitted to the Executive Board prior to undertaking such work in accordance with Article VII hereof. The work must be carried out expeditiously and in a reasonable manner to minimize noise and interference with the use and enjoyment of the building and the Common Elements by the Unit Owners and Residents of the Condominium. The Executive Board shall have the right to require the Unit Owner and/or a contractor to furnish bonds covering the faithful performance of the contract and the payment of all obligations arising thereunder.

The requirements set forth in this section shall also apply to sections 3.4 and 7.1(h) of the Declaration and Article 13 of these By-Laws.

7.6 Payments by the Executive Board. All payment vouchers of the Executive Board shall be approved by the President or Treasurer of the Executive Board.

## ARTICLE VIII

### INSURANCE

#### 8.1 Insurance, Provided by the Executive Board.

The Executive Board, for the benefit of and on behalf of the Unit Owners, shall contract for, shall pay the premiums therefor as Common Expenses, and shall maintain at all times the following insurance:

(a) Fire insurance in an amount equal to the full insurable replacement value of the Property without deduction for depreciation, with an endorsement for extended coverage, or such other fire and casualty insurance as the Executive Board may maintain providing equal or greater protection for the Unit Owners and their mortgagee, if any. In the event the net proceeds of such insurance do not exceed One Hundred Thousand (\$100,000.00) Dollars, such net proceeds shall be payable to the Executive Board on behalf of all Unit Owners and their respective mortgagees. In the event the net proceeds of such insurance exceeds One Hundred Thousand (\$100,000.00) Dollars, such net proceeds shall be payable to any trustee or any successor trustee appointed by the Executive

Board and approved by the holders of five (5) or more mortgages permitted hereunder (hereinafter referred to as the "Insurance Trustee"). All such insurance shall include a separate loss payment endorsement, in favor of the holders of any mortgages permitted hereunder modified to make the loss payable provisions in favor of such holders of mortgages subject and subordinate to the loss payment provisions in favor of the Executive Board, or the Insurance Trustee under an appropriate agreement. Said agreement shall provide that the Executive Board or Insurance Trustee shall hold and disburse all payments received on account of loss or damage covered by such policy for repairs and restoration as provided in the Pennsylvania Uniform Condominium Act and in this Article. Said insurance may, at the discretion of the Executive Board, contain a "deductible" provision in an amount determined by the Executive Board but not to exceed Five Thousand (\$5,000.00) Dollars. The Executive Board shall periodically order an appraisal of the Property to be made for the purpose of determining the current value of the Property, and the scope and amount of all fire insurance policies shall be reviewed yearly and may be increased in its discretion in order to maintain coverage in the amount of the current full insurable replacement value of the Property as hereinabove required.

(b) Comprehensive liability insurance insuring Unit Owners (in their capacity as Unit Owners), members of the Executive Board and any manager of the Property against any liability to the public or to the Unit Owners, Residents or

invitees, relating in any way to the ownership and/or use of the Property and any part thereof. Limits of liability shall be at least One Million (\$1,000,000.00) Dollars for property damage or death or personal injury in any single occurrence. The scope and amount of coverage of all liability insurance policies shall be reviewed at least once each year by the Executive Board and may be increased at its discretion.

(c) Such Worker's Compensation insurance as applicable laws may require.

(d) Such other insurance as the Executive Board in its discretion may deem to be desirable.

8.2 Specifications for Insurance. All insurance shall be obtained in accordance with the following provisions:

(a) All policies shall be written with an insurance carrier licensed to do business in the Commonwealth of Pennsylvania and holding a rating of "B+" or higher as rated by Best's Insurance Reports, or by an equivalent rating agency in the event Best's Insurance Reports cease to be issued.

(b) Exclusive authority to adjust losses under policies hereafter in force on the Property shall be vested in the Executive Board or its authorized representative.

(c) In no event shall the insurance coverage obtained and maintained by the Executive Board hereunder be brought into contribution with insurance maintained by individual Unit Owners or their mortgagees.

(d) Each Unit Owner may maintain additional

insurance at his own expense; provided, however, that (i) such policies shall contain waivers of subrogation, and (ii) no Unit Owner shall be entitled to exercise his right to maintain insurance coverage in such a way as to decrease the proceeds which the Executive Board, on behalf of the Association, may realize under any insurance policy which the Executive Board may have in force on the Property at any particular time.

(e) Each Unit Owner shall be required to notify the Executive Board of all alterations, additions and improvements made by him to his Unit or Limited Common Elements, the value of which is in excess of One Thousand and 00/100 (\$1,000.00) Dollars.

(f) The Executive Board shall have the power to require all Unit Owners to maintain such types of insurance as the Executive Board may reasonably require with the type of insurance companies specified hereinabove.

(g) Any Unit Owner who maintains individual insurance policies covering any portion of the Property other than personal property belonging to such Unit Owner shall be required to file a copy of such individual policy or policies with the Executive Board within thirty (30) days after purchase of such insurance.

(h) The Executive Board shall be required to make every effort to secure and maintain insurance policies covering the Property that will provide the following:

(i) A waiver of subrogation by the

insurer as to any claims against the Executive Board, and manager of the Property, the Unit Owners and their respective servants, agents and guests;

(ii) That the insurance policies issued to the Executive Board on behalf of the Unit Owners and covering the Property cannot be cancelled, invalidated or suspended owing to the conduct of any one or more Unit Owners and in no event can cancellation, invalidation or suspension for any reason be effected without at least thirty (30) days' prior written notice to each Unit Owner and all mortgage holders;

(iii) That all policies covering the Property cannot be cancelled, invalidated or suspended owing to the conduct of any officer, member or employee of the Executive Board or any manager of the Property without prior demand in writing that the Executive Board cure the defect within a reasonable period of time; and

(iv) That any "No other insurance" clause in the Executive Board insurance policies exclude individual Unit Owners' policies from consideration.

(i) The periodic and annual insurance reviews which the Executive Board is required to conduct, as provided hereinabove, shall include an appraisal of the improvements to the Property performed by a real estate appraiser acceptable to the insurance carrier or carriers issuing the policies maintained by the Executive Board.

## ARTICLE IX

### REPAIR OR RECONSTRUCTION

#### 9.1 Damage or Destruction.

(a) Repair. Except as otherwise provided by law, in the Declaration or herein, damage to or destruction of the Building or any other improvements constructed on the Property shall be promptly repaired and restored by the Executive Board using the insurance proceeds received by the Executive Board or the Insurance Trustee for such purpose. The Unit Owners directly affected thereby shall be liable for any deficiency in such proceeds in proportion to their respective Percentage Interests except that if and to the extent that such deficiency exists solely by reason of a "deductible" provision in the insurance policy or policies held by the Executive Board, such deficiency shall be borne by all of the Unit Owners as a Common Expense. Unit Owners may apply the proceeds from their individual fire insurance policies, if any, to the share of such Expense for which they are liable. The Executive Board shall be responsible only for restoring the Building to substantially the same condition as it was immediately prior to the damage or destruction, and each Unit Owner shall personally assume the additional expense of any improvements to his Unit which he desires to restore beyond such condition. If any changes are made in the basic construction of any restored Unit, the Limited Residential or Limited Commercial Elements, or Common Elements, the Executive Board shall record an amended Declaration Plan reflecting such changes.

(b) Termination. Notwithstanding anything contained in this Article to the contrary, if;

(i) there is substantially total destruction of the Building, the existence of which condition shall be conclusively determined by a unanimous vote of the Executive Board members rendered within thirty (30) days after the occurrence, or

(ii) Unit Owners directly affected by such damage or destruction and entitled to cast seventy-five percent (75%) percent of the votes of all said Unit Owners directly affected thereby duly resolve, within sixty (60) days after receipt of at least three (3) contractors' bids and the final insurance adjustment, not to proceed with repair or restoration, then, and only in the event of either (b)(i) or (ii) above having occurred, the salvage value of the Property shall be subject to partition at the suit of any Unit Owner, in which event the net proceeds of sale, together with the net proceeds of insurance policies held by the Executive Board or the Insurance Trustee, shall be considered as one fund and shall be divided among all the Unit Owners in proportion to their respective Percentage Interests, after discharging, out of the respective shares of Unit Owners, to the extent sufficient for the purpose, all liens against the Units of such Unit Owners.

9.2 Eminent Domain. A taking of, injury to, or destruction of part or all of the Property by the power, or a power in the nature, of eminent domain or by an action or deed in

lieu of condemnation, shall be considered to be included in the term "damage or destruction" for purposes of this Article, and the proceeds of the eminent domain taking shall be treated in the same manner as insurance proceeds. Whenever all or part of the Common Elements or Limited Common Elements shall be taken, injured or destroyed by eminent domain, each Unit Owner so affected shall be entitled to notice thereof and shall participate in the proceedings incident thereto, but in any proceedings for the determination of damages, damage for such taking of, injury to or destruction of the Condominium as a whole shall be determined and a separate determination of damage to each Unit Owner's interest shall not be made.

## ARTICLE X

### COMMON EXPENSES

10.1 Payment of Common Expenses and Limited Common Expenses. All Unit Owners shall be obligated to pay, on a monthly basis, the Common Expenses and Limited Common Expenses assessed by the Executive Board pursuant to the authority granted to the Executive Board under these By-Laws. At its option, the Executive Board may authorize the Common Expenses to be collected by a mortgagee of one or more Units or by any other servicing agent.

10.2 Collection of Assessments. The Executive Board shall take prompt action to collect any Common Expenses or Limited Common Expenses due from any Unit Owner which remain unpaid for more than thirty (30) days from due date of payment

thereof.

10.3 Default in Payment of Common Expenses. Any assessment or bill not paid within five (5) days after its due date shall accrue a late charge in the amount of 5% of the amount overdue in addition to interest at the rate of fifteen (15%) percent per annum or such other rate as may be determined by the Executive Board, together with all expenses including reasonable attorney's fees incurred in collecting said unpaid Common Expenses. The Executive Board shall have the right and duty to recover such expenses, together with such interest and costs in an action to recover the same brought against the Unit Owner as provided in the Pennsylvania Uniform Condominium Act.

## ARTICLE XI

### ADDITIONS, ALTERATIONS OR IMPROVEMENTS BY THE EXECUTIVE BOARD

11.1 Common Elements. Whenever, in the judgment of the Executive Board, Common Elements shall require additions, alterations or improvements costing in excess of Ten Thousand (\$10,000.00) Dollars, said alterations or improvements shall not be made unless they have been approved by a Majority of the Unit Owners present and voting at a meeting at which a quorum is present. When said approval has been obtained, all Unit Owners shall be liable for the cost thereof as a Common Expense. In the event of any emergency which could cause damage to the Building.

part thereof, the Executive Board may expend sums not in excess of Fifteen Thousand (\$15,000.00) Dollars to protect the Building or a part thereof and the judgment of the Executive Board shall be final, conclusive and binding.

In the event of an emergency which could cause damage to the Building or part thereof, the Executive Board may expend sums not in excess of Fifteen Thousand (\$15,000.00) Dollars to protect the Building or part thereof and the judgment of the Executive Board shall be final, conclusive and binding.

## ARTICLE XII

The

Unit Owner shall also comply with the additional requirements set forth in detail in Section 7.6 above. The Executive Board shall have the obligation to answer any written request by a Unit Owner for approval of a proposed structural addition, alteration or improvement in such Unit Owner's Unit within sixty (60) days after such request.

#### ARTICLE XIII

##### RIGHT OF ACCESS

Each Unit Owner shall grant a right of access to his Unit to the manager and/or the managing agent and/or any other person authorized by the Executive Board for the purpose of making inspections and for the purpose of correcting any condition originating in his Unit and threatening another Unit or Common Element or Limited Common Element or for the purpose of performing necessary installations, alterations or repairs to the utility or mechanical services in his Unit or elsewhere in the Building within which the Unit is located. In accordance with the Declaration requests for entry are to be made in advance, and such entry is to be at a time reasonably convenient to the Unit Owner, and in case of an emergency, such right of entry shall be immediate, whether the Unit Owner is present at the time or not.

#### ARTICLE XIV

Electricity consumed in lighting the Common Elements and in operating the various machinery, appliances and devices located therein and for the heating of water therein shall be billed to the Association and treated as a Common Expense.

Water consumed in each Unit will be billed to the Association and treated as a Common Expense. Notwithstanding the foregoing, the Association shall have the right to install, as a Common Expense, individual water meters for all Units in which event all water consumed in the Units will be billed directly to the Unit Owner.
