In performing his duties, an officer or Executive Board member shall be entitled to rely in good faith on information, opinions, reports or statements, including financial statements and other financial data, in each case prepared or presented by any of the following:

19.2.1 One or more other officers or employees of the Association whom the officer or Executive Board member reasonably believes to be reliable and competent in the matters presented.

19.2.2 Counsel, public accountants or other persons as to matters which the officer or Executive Board member reasonably believes to be within the professional or expert competence of such person.

19.2.3 A committee of the Executive Board upon which he does not serve, duly designated in accordance with law, as to matters within its designated authority, which committee the officer or Executive Board member reasonably believes to merit confidence.

19.2.4 An officer or Executive Board member shall not be considered to be acting in good faith if he has knowledge concerning the matter in question that would cause his reliance to be unwarranted.

Section 19.3 Limited Liability. No Executive Board member or officer, in his capacity as such, shall be personally liable for monetary damages for any action taken, or any failure to take any action, unless he has breached or failed to perform the duties of his office under the standards described above; provided, however, that the provisions of this Section 19.3 shall not apply to the responsibility or liability of an Executive Board member or officer pursuant to any criminal statute, or to the liability of an Executive Board member or officer for the payment of taxes pursuant to local, state or federal law.

Section 19.4 Indemnification. To the extent permitted under Pennsylvania law, each member of the Executive Board, in his capacity as an Executive Board member, officer or both, shall be indemnified by the Association against all expenses and liabilities, including attorney's fees, reasonably incurred by or imposed upon him in connection with any proceeding in which he may become involved by reason of

his being or having been a member and/or officer of the Executive Board, or any settlement of any such proceeding, whether or not he is an Executive Board member, officer or both at the time such expenses are incurred, except in such cases wherein such Executive Board member and/or officer is adjudged to be in breach of the standards of conduct described above; provided that, in the event of a settlement, this indemnification shall apply only if and when the Executive Board (with the affected member abstaining if he is then an Executive Board member and/or officer) approves such settlement and reimbursement as being in the best interests of the Association; and provided further that, indemnification hereunder with respect to any criminal action or proceeding is permitted only if such Executive Board member and/or officer had no reasonable cause to believe his conduct was unlawful. The indemnification by the Unit Owners set forth in this Section 19.4 shall be paid by the Association on behalf of the Unit Owners and shall constitute a Common Expense and shall be assessed and collectible as such. Such right of indemnification shall not be deemed exclusive of any other rights to which such Executive Board member and/or officer may be entitled as a matter of law or agreement or by vote of the Unit Owners or otherwise.

To the extent permissible under Pennsylvania law, expenses incurred by an Executive Board member and/or officer in defending a civil or criminal action, suit or proceeding shall be paid by the Association in advance of the final disposition of such action, suit or proceeding upon the request of the Executive Board member and/or officer, after the Association has received an undertaking by or on behalf of such person to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Association.

- Section 19.5 Rules and Regulations. This Section 19.5 shall be the same as Section 13.4 and all Subsections of the Master Declaration, which shall control and be defined by the Executive Board of the Master Association whose interpretation shall be final and binding.
