

1906 AWARD

The International Electrotechnical Commission
expresses its sincere appreciation of the valuable and
sustained contribution by

Vander TUMIATTI

**Expert of IEC Technical Committee No. 10,
Fluids for electrotechnical applications**

Nominated by the Chairman and Secretary of IEC TC 10

In recognition of his valuable contributions to the understanding of potentially
corrosive sulphur behaviour of mineral insulating oils used in power transformers
and for his worldwide recognized findings in the related development
of diagnostic chemical analyses.

FRANK KITZANTIDES

IEC Vice-president
Chairman of the
Standardization Management
Board

AHARON AMIT

IEC General Secretary
