PUBLIC ANNOUNCEMENT

Tshwane North TVET College would like to inform ALL registered and prospective students that the NSFAS application window for Trimester 2 (Engineering Studies) is open from 02 April to 12 April 2019. Registered and prospective students must approach the bursary or student support services office at the campuses for more information and assistance.

For the efficient administration of this process, the following processes are advised:

1. APPLICANT ELIGIBILITY

   Students are eligible to apply if they meet the following requirements:
   - Student has confirmed registration at a public TVET College for Trimester 2 but does not have approved NSFAS funding
   - Student has applied for NSFAS funding but was not approved during Trimester 1
   - The student is a South African citizen
   - Their combined annual household income does not exceed R350 000 per annum

2. STUDENT REQUIREMENTS

   The student will need recently certified copies of the following documents to be submitted with the application:
   - RSA birth certificate (preferably unabridged) or ID
   - ID’s of parents and/or guardian (or death certificate where applicable)
   - Salary advice/letter of employment or pension advice or SASSA letter
   - Completed and signed application form

3. COLLEGE REQUIREMENTS

   The college bursary office is expected to provide guidance and support students who wish to apply for the NSFAS bursary with the following:
   - Provide students with the NSFAS application form
   - Guide and support students in filling the application form
