

# LEAMINGTON & COUNTY GOLF CLUB

Weekly Updates 10th March 2017 supported by Morgan & Co Chartered Financial Planners

## Managers Mutterings

Dear Member

The club's AGM is being held on Wednesday 29th March and more details can be seen in this newsletter. All the paperwork has been posted to the web site but if anyone needs hard copies then please contact the office.

If you've been to the club this week you'll have seen the changes that are being made to the Pro Shop in an effort to once again react to the comments made in the Members Survey. These changes will allow the Pro Shop Team to manage the first and tenth tees more effectively and create a much better aspect when members and visitors first enter the shop.

The green team have been hard at work on greens renovation this week. It has caused some members inconvenience but it is essential work in preparation for having great greens throughout the summer months.

This is a last rallying call for the Pie Mash and Cinema evening. Tickets sales are not going as well as we would have hoped so if you are planning to attend please buy your tickets over the weekend. We're on the edge with this one so we need as much support as possible for it to go ahead.

Good luck to all those playing on Sunday, it looks like a waterproofs and wellies type day!

Kind regards  
Bryan Frazer  
Club Manager

## Interesting History

As you walk into the main clubhouse directly in front of you on the far wall is a golfing print of an etching called simply "The Golfers" and the plaque says PICCADILLY National Club Championship Finalists Wentworth 1974. The Leamington golfers who played qualified by returning three of the lowest net medal scores in the country were Felix Sheridan, John Hague and David Montgomery. The competition was to be played as a Pro Am with the Leamington team being allocated the legendary South African professional Dale Hayes. The competition, due to be played on the eve of the Piccadilly World Match Play, sadly was completely rained off and each team was presented with a commemorative picture. The World Match that year was won by Hale Irwin who beat Gary Player 3&1 in the final winning £10 000. I'm indebted to Don Syms for all the information in this trip down memory lane.
