Managers' Mutterings

Dear Member,

Not much from me this week.

A reminder that the Members' Forum is taking place next Wednesday 16th November. This is designed to be an opportunity for the members and the club management to exchange thoughts and ideas on a range of issues that the club faces in the coming months and years. It is hoped that everyone will come with an open mind remembering that the club is for everyone and not just a few.

In consultation with the Head Greenkeeper we have agreed to delay the implementation of hedgehog wheels for at least another week. The ground is still dry and there is no suggestion that we are due any significant rain over the next week. However get your wheels dusted off as it is likely they will be introduced with effect from Monday 21st November.

An early reminder that at the December Captains Draw Night the jackpot will be £1000 if it's not won we will continue to draw numbers, on the night, for £500 until it is won.

You might need your brolly if you're planning to play tomorrow but Sunday is looking pretty good, whatever you decide have an enjoyable round.

Kind regards

Bryan Frazer
Club Manager

A Message of Thanks

Comps have received the following message of thanks from the Royal British Legion following the recent Team Scramble that we held:

Dear All
Can I just thank you and your colleagues for raising £340.22 from your Golf Day for the Royal British Legion Poppy Appeal. A fantastic result. Thank you so much. This is hugely appreciated and goes towards the work undertaken by the Royal British Legion throughout the UK for those who have served their country, in the recent past as well as in years long gone.

Charity Cheque Presentation

At the Club Presentation evening last Friday, a donation cheque of £7650 was presented to representatives of the Warwick Hospital Coronary Care Unit. On behalf of the Coronary Care Unit, Caroline Hill thanked the club for the generous donation and explained the money would be used to buy bluetooth ECG units that would allow patients more mobility whilst still being monitored. She thanked everyone for all the support and the hard work in raising such a fabulous amount for a great cause.

From left to right the photograph shows the Ladies Captain, The Captain, Nurse Hill and Sister Choo at the presentation ceremony.

Another Hole in One!

Congratulations to Kathryn Chapman who had a hole in one on the 8th during the Ladies' competition this week. Well done Kathryn, yet another hole in one for the Ladies, excellent play!

Night Golf

Who would have thought playing golf wearing a head torch, hitting a golf ball that glows, to a fairway illuminated by glow sticks could be so much fun. Add to that the opportunity to meet and play with members that one wouldn't normally play with and the Night Golf event was a great success. It's very likely we will repeat the event next year so watch the diary for the date.

For the record the winning team was that of Colin Lewis, Nick Oates, Tony Cairns and Allan Murdoch, 2nd were Louie Pett

Andy and Sam White and Judith Coote and 3rd Chris Thornton, Jamie Pollock, John Abbott and Mike Scott.

A big thank you must go to Sam White who had the idea, and on the night to the Ladies Captain and husband for providing a wee dram to warm the cockles before teeing off.
