Managers Updates

Dear Member

Following a number of comments about the presentation of the areas around the clubhouse members will have noticed Jason and his team working on this over the last few weeks and most members I have spoken to have expressed very positive comments.

It was good to see a high percentage of visitors in this week's Winter Open and congratulations to those that made the podium.

Thank you to everyone who has returned a survey form. Forms are available from the web site, the pro shop, the office and I have now placed some behind the bar. Your opinions are important so please consider completing the form.

Tonight is Thornton's Big Bash, this is the first of our "alternative" social evenings it would be great to see as many there as possible. The men's long drive will be split by handicaps 1-9, 10-18 and 19+, ladies will have their own category, nearest the pin will be split men's and ladies and we're ALL IN on the straightest drive. It's still not too late to book a curry with Andy at just £5.00.

A reminder that the nomination forms for the various vacancies due to be voted on at the AGM are on the notice boards, don't be shy to post your name if you want to be considered for any of the positions in question.

There are still a few stragglers on January subscription payments so this is a very polite reminder and fair notice that if you haven't been in touch with the club by the end of the month you will be resigned from the club.

Entry forms are now available for all the Opens on the web site, if you're planning to play enter early if you want the pick of the tee times.

We've got a number of social events coming up so make sure you get the dates in your diary.

The weekend weather doesn't look too bad so if you're venturing out enjoy your golf.

Kind regards

Bryan Frazer
Club Manager

Congratulations Jenny, 25 Years!

Comments from Jenny:

"I'd like say a big thank you to all members and staff for the lovely thoughts and comments. Reaching 25 years was certainly something I'd never imagined on my first day at the club all those years ago. Thank you for all the kindness and support shown to me over the years, being part of the Leamington & County GC team has certainly been interesting and enjoyable.

Grey Nags AGM & Lunch

Harvey Meakin retiring Grey Nags Captain presented Alan Upwood with a crystal timepiece at the Grey Nags AGM Lunch on 9th February.

This was to celebrate his 90th Birthday and also in appreciation for all he has done for our club. Peter Baker takes over as Grey Nags Captain for 2017.

Social Scene

NEW BEERS at the bar. Those that have been to the club in last week will have noticed that we've swapped a couple of beers. Worthington's has gone and been replaced by Greene King IPA, we've introduce Orchard's Gold cider and Guinness will now be offered in cans specially prepared for low volume markets.

Thornton's Big Bash takes place tonight so if you think you hit further, straighter or nearer than your mates, now's your chance to prove it!! There is a special offer on a new cask ale "Sharps Atlantic" which will be just £2.50 a pint including discount while stock lasts. It might be chaotic but it will be fun.

March 19th sees our first Award Winning Pie & Mash Cinema Night. The film will be a golf related offering, we are still debating should it be Seve, Tin Cup, The Legend of Badger Vance, maybe the classic Caddy Shack or something else. Suggestions on a postcard!

If you have any thoughts on what you would like to see on at the club please let us know.
