Managers Updates

Dear Member

It always sad to report the passing of former members. I have received notice that Mr Ralph Petyt passed away on Tuesday 16th January, Ralph was a member for over 30 years and will be known to many current members. As yet we do not have details of the funeral arrangements but these will be circulated once they are known.

For some years now there has been a group of unsung hero's who give freely of their time to help new members integrate into the club. The ladies have traditionally been much better at this than the men although on recent evidence things are changing so thanks to all who helped out this week. In fact a big thank you to everyone who gives up time to help the club.

There was an incident in the upper car park this week where a member thought they saw someone in a vehicle that wasn't there's. There was no evidence of a break in and nothing was taken but just as a prudent warning to all. Please ensure that your vehicles are locked and that valuables left in your vehicles are concealed in the boot.

I have received a number of complaints about the area around the shoe cleaner. I have instructed it to be swept and cleaned more often but it would help immensely if members would lift their trolleys onto the grid before cleaning them. To make this slightly easier I have asked for a small ramp to made.

Thank you to everyone who has paid their subscriptions. There are still some outstanding and if we could get those paid as soon as possible that would be great.

We didn't get great support for our first "BIG MATCH LIVE" but we'll have a special offer ready for the 6 Nations Opener England v France on the 4th Feb from Twickenham and maybe a wee something for those from North of Border as Scotland entertain Ireland.

It looks like it's going to fairly cold over the weekend so if you playing wrap up warm, don't forget to check on the course status either on the hot line 425961 opt 2 or through twitter which can be seen on the web site by scrolling down on the home page.

Kind regards

Bryan Frazer

Are you ready!!

It might be YOU!!

There is always a bit of a lull after the excesses of the festive season. However, we are only a few weeks away from a new event "Thorntons BIG BASH" first we had golf in the dark with glowing golf balls now we have a longest drive, straightest drive, nearest the pin competition run in the comfort of the main lounge!! Posters will go up this week with the details but put the date in your diaries Friday 17th February 2017.

I've challenged other Warwickshire Golf Club's to run similar events so we can host the Warwickshire Finals at some date in the future. So if you fancy being one of Leamington & County's Champions here's your chance.
