Dear Member

So the luck of the Irish prevails once again following their win in the annual International Match. I'm sure they would argue there were superior golfing skills at play but either way many congratulations to all those in the winning team. Clearly from the bar takings there was plenty of celebrating and no doubt and equal amount of sorrow drowning! There were many compliments regarding the course, the catering and the bar service so thank you to all the staff who made the evening such a success.

My apologies to next years Captain Roy Scott, the email address to book your place on his away trip to Forest Pines in 2017 was incorrect, the correct email is terryhunt00@gmail.com there are a limited number of spaces so please let Roy know as soon as possible if you'd like to attend.

NIGHT GOLF on the 10th November is a new event for the club and needs your support, please see separate note later in the updates.

Andy, our caterer, is taking a few days off next week. He has engaged a locum chef to cover and he will provide the full menu but if food does just take a few minutes longer to arrive please be patient.

Members will have noticed some damage on the 18th green caused by badgers. Jason and his team have repaired this as best they can and are seeking advice on how we manage the situation going forwards. Members will have also noticed that the next phase of replacing the irrigation system has started this will cause some disruption for which we apologies.

Following the relatively dry weather we have been experiencing I have spoken to Jason and we have agreed the introduction of "hedgehog wheels" will be delayed until Monday 14th November.

The weather looks pretty settled over the weekend so enjoy your golf.

Kind regards

Bryan Frazer
Club Manager

Andy Eadon

As many members will be aware, long time member of the club, Andy Eadon passed away last weekend. The arrangements for his funeral are as follows

Wednesday November 9th
Oakley Wood Crematorium - 2.15pm
and afterwards at the golf club.

The family ask those attending to wear Bright Colours, they also request NO flowers but donations to the Marie Curie Charity, who's support allowed Andy to remain at home throughout his illness.

Our sympathies go out to his wife Angela and family.

NIGHT GOLF

This is a new event to the club and one that will be great fun. Playing with golf balls that glow, to fairways edged with glow sticks and putting to flags wrapped in rope lights it will be the best test of your skill and maybe your temperament that golf can provide. The evening costs £25.00 and this includes a seasonal meal after golf. We need another 10 golfers to make the evening a success so sign up now at the bar.
