## Manager's Mutterings

Dear Member,

It's always been a good week when I don't have too much to say.

Many of you will already be aware that Kat is leaving Union Golf following her residential PGA training course next week with the weekend of the 11th/12th November being her last working days at Leamington & County. I know you will all join me in wishing her well in her new post at The Belfry and every success in the future as a golf professional either here or abroad.

A BIG shout for a couple of upcoming social functions. FASHION SHOW on Friday 1st December with outfits for men and women, tickets are still available at £7.50 from the office and CHARITY CHRISTMAS BINGO on Sunday 3rd December with some great prizes - tickets available from behind the bar or the Pro Shop - just £6 including two books! See the posters around the club for more details.

The entry sheet for next Thursday's QUIZ is on the notice board in the main clubhouse.

Tonight is the Captains Draw Night with a jackpot prize of £1000 but you must be in the club to claim the prize. They'll also be a presentation by the Ladies Captain Julie Ford to The Graham Fulford Trust her chosen charity for her year in office.

Ladies your locker room is being refitted over the weekend of the 11th/12th November please ensure that your old locker has been emptied and your key returned to the office where Andrea will allocated a new locker to you as required.

I've had very few complaints recently other than one about PITCH MARKS that haven't been repaired. It's easy to blame this on visitors but we haven't had many this week so this is down to members. If your ball pitches on the green, regardless of where it ends up, it will make a pitch mark and that needs repairing.....please!!

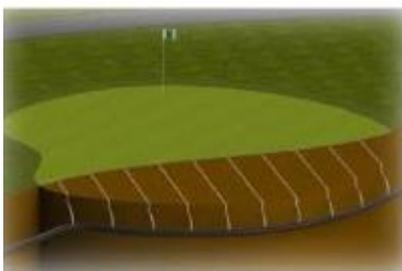

There's a pro stableford this weekend, the practice ground is closed on Saturday until around 2.00pm as there is a Family Greensomes event taking place with our juniors and their parents taking part.

Have a great weekend.

Kind regards

Bryan Frazer  
Club Manager

## Green Matters

As we continue with investment in the course the 12th and 15th holes will be on temporary greens as we prepare for the installation of PC Drainage in both greens on Thursday. This is the same system as installed on the 13th. The preparation work will start on the 12th hole on Monday & Tuesday morning and on the 15th hole on Tuesday afternoon & Wednesday the installation will take place on Thursday with the ancillary drainage and re turfing taking place on Friday. The greens will be back in play on Saturday. If you have any questions about PC Drainage please call into the office and I'll do my best to answer them.

## Royal British Legion

27 teams started the competition in support of The Royal British Legion. The winning team of John M Abbott, Jamie Goode, Nick Knapp and Ian Partridge returned an outstanding 56.2 which was more than a shot clear of Ian Jones, Gary Dorgan, Steve Reading and Dennis Keogh in second who were closely followed by Alan Badger, Trevor Hatcher, Nigel Spearing and Phil Halford in third who just pipped the team of Steve Osborne, Tom Hinton, Ron Cameron and Rob Halbert on count back. Congratulations to everyone one who took part and we'll be sending a cheque for circa £300 to The Royal British Legion thanks to your generous donations. The winning team can be seen with Captain Roy Scott.
