COOPERATION.

"Auma and her team do such a great job and we highly appreciate the trustful and close cooperation. We fully rely on them and know that they do all in their power to help people to build up a self-determined life. They empower people to believe in themselves and to make use of their inner but also local resources. They enable them to build up successful businesses - by equipping them with the skills and knowledge they need. We can't put into words how proud we are to be part of this wonderful program and how strongly we believe in it."
