

So Much More Than a Meal

Home delivered meals significantly reduce the need for institutional care. Home delivered meal service from Mobile Meals includes a safety check to help keep seniors independent and give loved ones a little extra piece of mind.

- **1 in 6** American seniors struggles with hunger
- **97%** of clients surveyed reported that Mobile Meals helped them remain independent
- Mobile Meals serves nearly **1,500 meals per day** throughout Summit, Portage, and Cuyahoga counties.

For some clients, the Mobile Meals delivery is their only human contact in a given day or week. A brief visit from someone who cares is as important as the satisfying meals we prepare.

Our mission is to provide healthy meals and nutrition services to enrich lives and foster independence
