

We're more than just another joiner

We partner in your success

At **Qbic Living** we do more than just make & install kitchens...

Welcome to a new concept in Kitchen Design & Joinery in South Australia. Located on 79 Unley Road Parkside. Our premises feature leading edge kitchen designs & new technology to assist your Building Company in impressing your clients even before your sales team has a contract signed.

About us..

Qbic Living came about through the vision of Director, qualified cabinet maker and certified kitchen designer, Zoran Maksimovic. Nowhere in Adelaide has a joiner developed a one stop shop which includes a superb showroom, state of the art 3D rendering software & facilities that are made exclusive & accessible to its core clientele, **Custom Home Builders**. You will have the flexibility to either pamper your clients or convert your prospects in a modern, professional setting, all centrally located just south of the city.

We take a genuine interest and hands on approach to ensure your clients receive the best possible experience when it comes to designing and installing the joinery in their new home or addition. Whether it is a design from "your standard selection" or a "fully customised design option", we understand that our clients are your clients, so we work with you every step of the way.

Our Unique Builder Partnership Program

We have limited opportunities to provide a service to select building companies where we give you 100% access to our showroom.

Imagine..

Meeting a Prospect for the first time...

Stimulate their creativity by helping them visualize their options by taking them on a journey through our showroom. Explore:

- ✓ Entertainment Areas
- ✓ Wardrobe Options
- ✓ Complete Kitchens
- ✓ Studies
- ✓ Laundry
- ✓ Outdoor BBQ

Before sitting with them in an open relaxed environment, free from any sales pressure or interruptions to discuss their building needs.

Our modern showroom is up to date with the latest building and design trends and will add value to any builder who is looking to impress their clientele by providing:

- ✓ Interactive 3D Render
- ✓ Interior Design Options
- ✓ Proof of quality
- ✓ Relaxed Professional Environment
- ✓ Centralised Meeting Place
- ✓ Area for selections

Take advantage of this limited opportunity and **Call us on 8373 1088** and arrange a time to visit our showroom.

There is no longer a need to spend loads of money on expensive office fit outs that just don't work. Even Display Homes are an expensive & time consuming investment that generally help take prospects straight to your opposition!

We partner in your success

Joining our Builder Partnership Program

We want it to be as easy as possible for you to experience the benefits of becoming an exclusive partner through Qbic Living's Builder Partnership Program.

In 4 simple steps you can experience the benefits.

1 Call & Visit our Showroom

Call us on **8373 1088** and arrange a time to visit our showroom to see if what we do meets your company's requirements. Compare our quality and our design options with your current joiner and meet with our Managing Director to make sure our company values align with yours.

3 Compare Quality and Service

We understand existing relationships are sometimes hard to break, so it's important you are 100% sure and committed to having Qbic Living manufacture and install all of your Company's Joinery requirements. Let us quote, manufacture and install a project for your Company prior to any long-term commitments being made.

2 Compare Prices

We don't confess to being the cheapest joiner in Adelaide but based on past experience our pricing, options, quality and service makes us a **unique value proposition**. Simply give us a kitchen you are currently pricing or have recently built and compare value, you will be pleasantly surprised!

4 Join The Team

With no less than a hand shake and a simple credit application, you can have FREE ACCESS to quality retail space and live 3D rendering to help impress prospects, pamper your clients and grow your business.
