

# INTRODUCING STAR BUDDIES

**Star Rubber Environmental is proud to introduce hand created 3D graphical animals that bring a new dimension to children's play.**

**Bringing children face to face with the bugs and different animals they see in nature, read about in books and watch on the tv!**

## **Creatures available**

**(in various colours)**

- Fish
- Turtle
- Penguin
- Snail
- Frog
- Ladybird
- Dragon

**Made from 80% recycled rubber and the remaining percentage a quality EPDM rubber. Star Buddies offer a great new style of play to schools, nurseries, public parks and so many more environments.**

**Why  
Choose 2D  
when you  
can have  
3D!**
