

How to report a problem in a park to Enfield Council

1. Go onto the Enfield website: <http://www.enfield.gov.uk>

Go to Report a problem

The screenshot shows the Enfield Council website interface. At the top, there is a banner image of three people standing in front of a building. Below the banner, there is a red section titled "Hit the hub" with a "Learn more" button. Below this, there is a "Most Popular" section with a row of red buttons: "Enfield Connected", "Bin collection", "Consultations", "Libraries", "Planning", "Register to vote", and "Find my nearest". Below the "Most Popular" section, there are three columns of links. The middle column, titled "Report a problem", is highlighted with a green arrow. The links in the columns are as follows:
