

## “WALKER” PERMISSION

I request permission for the student/students listed below to be dismissed at the beginning of carpool as “walkers”.

I understand that it will be the student/student’s responsibility to leave the building as soon as they are dismissed and go directly to the designated area. (The goal is to get all children off school property before cars actually start moving.) I will also agree to call the office by 3 pm with any changes.

By signing below, I agree to release Legacy Academy and its personnel from any legal claim which may hereafter arise out of consequences of this request. I also agree to take responsibility for such things as injuries, accidents, children not arriving at meeting place and children causing mischief. I further understand that this approval may be revoked at any time by administration.

Reason for this request:

---

---

Designated area: (Cannot be on Legacy Trail)

---

---

Persons approved for pickup:

---

---

List names and grades of Children:

---

---

Parent/Guardian legible printed name:

---

---

Phone

Parent/Guardian signed name:

---
