

Student Wellbeing and Engagement Policy

PURPOSE

The purpose of this policy is to ensure that all students and members of our school community understand:

- (a) our commitment to providing a safe and supportive learning environment for students
- (b) expectations for positive student behaviour
- (c) support available to students and families
- (d) our school's policies and procedures for responding to inappropriate student behaviour.

Carisbrook Primary School is committed to providing a safe, secure and stimulating learning environment for all students. We understand that students reach their full potential only when they are happy, healthy and safe, and that a positive school culture helps to engage students and support them in their learning. Our school acknowledges that student wellbeing and student learning outcomes are closely linked. The objective of this policy is to support our school to create and maintain a safe, supportive and inclusive school environment consistent with our school's values.

SCOPE

This policy applies to all school activities, including camps and excursions.

POLICY

1. School profile

Carisbrook Primary School is situated in central Victoria equidistant between Ballarat and Bendigo. It is 7 kilometres from Maryborough on the Pyrenees Highway, approximately 150 kilometres from Melbourne. The school presently has 12 classes catering for 270 children. We enjoy strong community support and value relationships between school, home and the community.

Education programs in the school are supplemented by specialist programs in Science, Literacy Intervention, Physical Education and The Arts. The school has a commitment to a relentless focus on improved student outcomes in Literacy and Numeracy, Literacy and Numeracy intervention informed by data, active parent support in a range of school functions including classroom programs and parent participation in the decision making processes within the school, Inquiry learning that follows student interest, a STEM program, and School wide Positive Behaviour Program based on our three values of Integrity, Respect and Resilience with the emphasis on the student accepting responsibility for her or his own actions.

2. School values, philosophy and vision

Carisbrook Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of *Respect, Integrity and Resilience* at every opportunity. Our school's vision is to empower students to reach their personal best, and fully equip them to contribute positively to society as happy, healthy young adults. Our *Statement of Values and School Philosophy Policy* is available through the school web site.

3. Engagement strategies

Carisbrook Primary School has developed a range of strategies to promote engagement, positive behaviour and respectful relationships for all students in our school. We acknowledge that some students may need extra social, emotional or educational support at school, and that the needs of students will change over time as they grow and learn.

A summary of the universal (whole of school), targeted (year group specific) and individual engagement strategies used by our school is included below:

Universal

- high and consistent expectations of all staff, students and parents and carers
- prioritise positive relationships between staff and students, recognising the fundamental role this plays in building and sustaining student wellbeing
- creating a culture that is inclusive, engaging and supportive
- welcoming all parents/carers and being responsive to them as partners in learning
- analysing and being responsive to a range of school data such as attendance, Attitudes to School Survey, parent survey data, student management data and school level assessment data
- teachers at Carisbrook Primary School adopt a broad range of teaching and assessment approaches to effectively respond to the diverse learning styles, strengths and needs of our students and follow the standards set by the Victorian Institute of Teaching
- our school's Statement of Values are incorporated into our curriculum and promoted to students, staff and parents through lessons and weekly awards presented at assemblies so that they are shared and celebrated as the foundation of our school community
- positive behaviour and student achievement is acknowledged in the classroom, and formally in school assemblies and communication to parents
- monitor student attendance and implement attendance improvement strategies at a whole-school, cohort and individual level
- students have the opportunity to contribute to and provide feedback on decisions about school operations through the Student Representative Council. Students are also encouraged to speak with their teachers, Year Level Coordinator, Assistant Principal and Principal whenever they have any questions or concerns.

- create opportunities for cross—age connections amongst students through school plays, athletics, music programs and peer support programs
- All students are welcome to self-refer to the classroom teacher, School Chaplain, Year Group Leaders, Assistant Principal and Principal if they would like to discuss a particular issue or feel as though they may need support of any kind. We are proud to have an ‘open door’ policy where students and staff are partners in learning
- we engage in school wide positive behaviour support with our staff and students, which includes programs such as:
 - School Wide Positive Behaviour
 - Respectful Relationships
 - Bully Stoppers
 - Safe Schools
- programs, incursions and excursions developed to address issue specific behaviour (i.e. anger management programs)
- opportunities for student inclusion (i.e. sports teams, clubs, recess and lunchtime activities)
- buddy programs, peers support programs

Targeted

- connect all Koorie students with a Koorie Engagement Support Officer
- all students in Out of Home Care will be appointed a Learning Mentor, have an Individual Learning Plan and will be referred to Student Support Services for an Educational Needs Assessment
- wellbeing and health staff will undertake health promotion and social skills development in response to needs identified by student wellbeing data, classroom teachers or other school staff each year
- staff will apply a trauma-informed approach to working with students who have experienced trauma

Individual

- Student Support Groups, see:
<http://www.education.vic.gov.au/school/principals/spag/participation/pages/supportgroups.aspx>
- Individual Learning Plan and Behaviour Support Plan
- Program for Students with Disabilities
- referral to Student Welfare Coordinator and Student Support Services
- referral to ChildFirst, Headspace
- Navigator
- Lookout

Where necessary the school will support the student’s family to engage by:

- being responsive and sensitive to changes in the student’s circumstances and health and wellbeing
- collaborating, where appropriate and with the support of the student and their family, with any external allied health professionals, services or agencies that are supporting the student
- monitoring individual student attendance and developing an Attendance Improvement Plans in collaboration with the student and their family
- running regular Student Support Group meetings for all students:
 - with a disability
 - in Out of Home Care
 - and with other complex needs that require ongoing support and monitoring.

4. Identifying students in need of support

Carisbrook Primary School is committed to providing the necessary support to ensure our students are supported intellectually, emotionally and socially. The School Wide Positive Behaviour team plays a

significant role in developing and implementing strategies help identify students in need of support and enhance student wellbeing. Example School will utilise the following information and tools to identify students in need of extra emotional, social or educational support:

- personal, health and learning information gathered upon enrolment and while the student is enrolled
- attendance records
- academic performance
- observations by school staff such as changes in engagement, behaviour, self-care, social connectedness and motivation
- attendance, detention and suspension data
- engagement with families
- self-referrals or referrals from peers

5. Student rights and responsibilities

All members of our school community have a right to experience a safe and supportive school environment. We expect that all students, staff, parents and carers treat each other with respect and dignity. Our school's Statement of Values highlights the rights and responsibilities of members of our community.

Students have the right to:

- participate fully in their education
- feel safe, secure and happy at school
- learn in an environment free from bullying, harassment, violence, discrimination or intimidation
- express their ideas, feelings and concerns.

Students have the responsibility to:

- participate fully in their educational program
- display positive behaviours that demonstrate respect for themselves, their peers, their teachers and members of the school community
- respect the right of others to learn.

Students who may have a complaint or concern about something that has happened at school are encouraged to speak to their parents or carers and approach a trusted teacher or a member of the school leadership team.

6. Student behavioural expectations

Behavioural expectations of students, staff and families are grounded in our school's *Statement of Values and School Philosophy Policy*. Student bullying behaviour will be responded to consistently with Carisbrook Primary School's *Bullying Policy*.

When a student acts in breach of the behaviour standards of our school community, Carisbrook Primary School will institute a staged response, consistent with the Department's Student Engagement and Inclusion Guidelines. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- warning a student that their behaviour is inappropriate

- teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour
- withdrawal of privileges
- referral to the Principal and/or Assistant Principal
- restorative practices
- detentions
- behaviour reviews
- suspension
- expulsion

Suspension and expulsion are measures of last resort and may only be used in particular situations consistent with Department policy, available at:

<http://www.education.vic.gov.au/school/principals/spag/participation/pages/engagement.aspx>

Corporal punishment is prohibited in our school and will not be used in any circumstance.

7. Engaging with families

Carisbrook Primary School values the input of parents and carers, and we will strive to support families to engage in their child's learning and build their capacity as active learners. We aim to be partners in learning with parents and carers in our school community.

We work hard to create successful partnerships with parents and carers by:

- ensuring that all parents have access to our school policies and procedures, available on our school web site
- maintaining an open, respectful line of communication between parents and staff
- providing parent volunteer opportunities so that families can contribute to school activities
- involving families with homework and other curriculum-related activities
- involving families in school decision making
- coordinating resources and services from the community for families
- including families in Student Support Groups, and developing individual plans for students.

8. Evaluation

Carisbrook Primary School will collect data each year to understand the frequency and types of wellbeing issues that are experienced by our students so that we can measure the success or otherwise of our school based strategies and identify emerging trends or needs.

Sources of data that will be assessed on an annual basis include:

- student survey data
- incidents data
- school reports
- parent survey
- case management
- CASES21
- SOCS
