

## **Yard Duty & Supervision Policy**

### **PURPOSE**

To ensure school staff understand their supervision and yard duty responsibilities.

### **SCOPE**

The principal is responsible for ensuring that there is a well-organised and responsive system of supervision in place during school hours, before and after school, and on school excursions and camps.

This policy applies to all teaching and non-teaching staff at Carisbrook Primary School, including education support staff, casual relief teachers and visiting teachers.

School staff are responsible for following reasonable and lawful instructions from the principal, including instructions to provide supervision to students at specific dates, time and places.

### **POLICY**

#### **Before and after school**

Carisbrook Primary School's grounds are supervised by school staff from 8:30am until 3:45. Outside of these hours, school staff will not be available to supervise students.

After school, school staff supervise the bus area, front exit area, and side exit area.

Alternate arrangements are made for students who take the bus home.

School staff who are rostered on for before or after school supervision must follow the processes outlined below.

#### **Yard duty**

All staff at Carisbrook Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

The principal is responsible for preparing and communicating the yard duty roster on a regular basis. At Carisbrook Primary School, school staff will be designated a specific yard duty area to supervise.

The designated yard duty areas for our school as of Term 1, 2019 are:

Zone	Area
Area 1	Admin building, 5/6 units, undercover areas and new 3/4 unit
Area 2	Prep playground, sand pit, old 3/4 unit and Prep 1/2 unit
Area 3	Oval, new playground, sand pit, basketball court and toilets

School staff must wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests and jackets are stored in the staffroom.

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving teacher.

During yard duty, supervising staff must:

- methodically move around the designated zone to ensure all areas are regularly monitored
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in your school's *Student Engagement and Wellbeing* policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate i.e. on Compass
- if being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), ensure that a brief but adequate verbal 'handover' is given to the next staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Assistant Principal or Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Assistant Principal or Principal but should not leave the designated area until the relieving staff member has arrived in the designated area.

If a relieving or next staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office and not leave the designated area until a replacement staff member has arrived.

Should students require assistance during recess or lunchtime, they are encouraged to speak to the supervising yard duty staff member.

## **Classroom**

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the office for assistance. The teacher should then wait until another staff member has arrived at the classroom to supervise the class prior to leaving.

## **School activities, camps and excursions**

The principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions. Appropriate supervision will be planned for special school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved.
