INSTRUCTIONS:
• Stamp the image in various places on the 5 x 3 3/4 Whisper White with Versa Mark and emboss with Whisper White Embossing powder
• Turn the paper over and stamp or draw a circle in the center of the paper. It should be about 3/4 inch at least. This will be a guide.
• Cut it in half both horizontally and vertically. Lay this out so that you know how you stamped it
• This is where you will find the circle on the back helpful. Cut each quarter in half again this time diagonally -from the center to the outside corner of each rectangle
• Sponge each triangle with a different color.
• Adhere the triangles to the other 5 x 3 3/4 Whisper White
• Cut 1 7/8” circle from Whisper White using the Stitched Shapes Dies & stamp the greeting in Pretty Peacock
• Cut the 2” Scallop Circle from Layering Circle Dies
• Attach the greeting with a dimensional
• Wrap the ribbon around the top two layers before attaching to the card base.
• Add the bow and rhinestones
