Accessories

Complete weathervane for reference only!

Rain Gauge Assembly

- Flared Glass Vial is custom made in the USA for EZ Vane Inc.
- Rain Gauge Bracket is made of heavy 14 ga steel and is finished with our unique 3 step process.
- Rubber grommets securely hold the bracket to the pole while preventing damage to the glass vial.
- Replacement glass vials available.

Signs

Complete weathervane for reference only!

A great accessory to welcome friends and visitors to your home.

This novelty sign is sure to produce a smile.

To Install Rain Gauge or Signs:

Put a tiny amount of cooking spray or light oil on the small grommet then slide it over the pole to desired height. Rubber grommets prevent slipping.
