How to Schedule Your Meeting

• If you are an NAWB Member and would like to meet with your Representative or Senator please reach out to Matt Bandstra at bandstram@nawb.org.

• If you are not an NAWB Member or would prefer to schedule your meeting yourself please follow the steps below.

• Try to meet with your two Senators and your Representative in the House while you're in DC. You can find your Representative or Senator by following the prompts on either www.house.gov or www.senate.gov.

• Request a DC meeting, typically an available option on the Member’s website (if not, call the office).
  o If the Member is unavailable, make an appointment with someone on his/her staff. These meetings can be equally as productive as meetings with the Member themselves.

• Be sure to include who you are and your affiliation with NAWB, noting that you will be in Washington, DC for NAWB’s 2020 Forum.

• Follow up with a phone call to ensure the scheduler has received your request.
