

Compliant Technologies' G.L.O.V.E. User EXAM

Name: _____

Date: _____

Agency: _____

Score: _____

1. The G.L.O.V.E. stands for:
 - a. Generated Lowing Our Voltage Emitter
 - b. Generating Likely Over Voltage Exchanges
 - c. Generated Low Output Voltage Emitter
 - d. Generating Lower Outlet Volt Emission
2. TTP's stands for:
 - a. Tactics, Techniques and Procedures
 - b. Tip Toe through Petunia's
 - c. Thermal, Tactical Nuke Preparations
 - d. Tricks, Traps and Preventions
3. How often does a G.L.O.V.E. user have to recertify?
 - a. Every 3 years
 - b. Every year
 - c. Every 2 years
 - d. Never, only do initial qualification
4. CEW stands for:
 - a. Contact Equipment Weapon
 - b. Conducted Electrical Weapon
 - c. Contained Ethical Weapon
 - d. Coordinated Electronic Weapon
5. A Warning in Compliant Technologies Training Courses and Manuals Means:
 - a. If not followed you will die
 - b. If not followed people may get hurt
 - c. If not followed can result in death or injury
 - d. Suggested course of action you might get injured
6. A Caution in Compliant Technologies Training Courses and Manuals Means:
 - a. You may want to take a hint that this could be bad
 - b. If not followed can result in equipment damage or failure
 - c. If you don't watch out things can break
 - d. Death or Injury could result if not followed
7. In Compliant Technologies Training Courses All trainees are required to get stunned.
 - a. True
 - b. False
8. Compliant Technologies does not set tactics, techniques procedures and policy for The G.L.O.V.E.
 - a. True
 - b. False
9. The G.L.O.V.E. uses very low electrical output compared to many common household items.
 - a. True
 - b. False
10. In Compliant Technologies terminology NMI means:
 - a. Neurological Muscular Intervention
 - b. Neuro Muscular Interference
 - c. Nitric Muscular Incapacitation
 - d. Neuro Peripheral Interference
11. With proper use and appropriate TTP's The G.L.O.V.E. can be an effective force multiplying intermediate tool.
 - a. True
 - b. False
12. CEW's stimulate the:
 - a. Control and Peripheral Nervous Systems
 - b. Motion and Sensory systems within the Peripheral Nervous System
 - c. Peripheral and Autonomous Nervous Systems
 - d. Cortex and Anatomical Systems

Compliant Technologies' G.L.O.V.E. User EXAM

13. The G.L.O.V.E. is the total intermediate weapon solution.
 - a. True
 - b. False
14. G.L.O.V.E. activation takes how long?
 - a. Instantaneous
 - b. 3-5 seconds
 - c. 1-2 seconds
 - d. 2-3 seconds
15. The output of The G.L.O.V.E. is:
 - a. 30-50 amps
 - b. 10-30 amps
 - c. .9-1.5 amps
 - d. 30-50 milliamps
16. The output volts of the G.L.O.V.E. is:
 - a. 500-800 Volts
 - b. 210-320 (380 max) Volts
 - c. 200-480 Volts
 - d. 180-300 Volts
17. The G.L.O.V.E. uses a _____ volt Rechargeable Lithium Ion Battery.
 - a. 1.5
 - b. 4.7
 - c. 7.7
 - d. 3.7
18. When The G.L.O.V.E. charging is complete the G.L.O.V.E. LED battery lights will turn red.
 - a. True
 - b. False
19. When The G.L.O.V.E. is on and active The G.L.O.V.E. ON/OFF switch will light up.
 - a. True
 - b. False
20. To operate effectively The G.L.O.V.E. must come into contact with:
 - a. Clothing
 - b. Hair
 - c. Skin
 - d. Shoes
21. The G.L.O.V.E. is just as effective on clothes and hair as it is on someone's skin.
 - a. True
 - b. False
22. How many G.L.O.V.E.'s can come into contact with a subject's skin on a level 2 application?
 - a. 4
 - b. 1
 - c. As many as required to control the subject
 - d. 2
23. On a level 2 application no more than _____ seconds should be applied to the subject.
 - a. 15
 - b. No limit
 - c. 30
 - d. 10
24. It is safe to wash The G.L.O.V.E. with other clothes in a washing machine.
 - a. True
 - b. False
25. Clean and De-contaminate The G.L.O.V.E. with:
 - a. A wet rag
 - b. A PDI Sanicloth® or other similar disinfectant
 - c. A Wet-One
 - d. Baking Soda and Peroxide

Compliant Technologies' G.L.O.V.E. User EXAM

26. If for some reason The G.L.O.V.E. doesn't come on and isn't operational first check to make sure:
 - a. The G.L.O.V.E. is charged
 - b. The Wall Charger is working
 - c. Both A and B
 - d. None of the Above
27. Cease Use of Force TTP's once subjects are in compliance and under control.
 - a. True
 - b. False
28. The G.L.O.V.E. should not be used on certain portions of the population to include:
 - a. Elderly
 - b. Children
 - c. Pregnant women
 - d. All of the Above
29. Users should activate their agency's Medical Response Protocol post CEW use.
 - a. True
 - b. False
30. Users and other officers may grab the suspect while applying The G.L.O.V.E. without worry of being stunned.
 - a. True
 - b. False if anyone touches some getting stunned they also will feel the effects
31. In any given scenario Situational Awareness is key. Users should always be prepared with other force options or TTP's.
 - a. True
 - b. False
32. A level 3 application involves the use of The G.L.O.V.E. as needed when either the officer or public are in immediate danger.
 - a. True
 - b. False
33. The longer the CEW exposure the potential health risk decreases for the subject.
 - a. True
 - b. False
34. CEW's may affect human physiology with following:
 - a. Increase in blood pressure and respiration
 - b. Changes in blood chemistry and heart rhythm
 - c. Increase in Adrenaline
 - d. All of the Above
35. ExDS stands for:
 - a. Excited Dementia Syndrome
 - b. Expected Delirious State
 - c. Exercise Daily for Sanity
 - d. Excited Delirium Syndrome
36. The Hallmark symptom of ExDS is:
 - a. Joy
 - b. Hyperthermia
 - c. Yelling and Screaming
 - d. Agitated Behavior
37. Never employ The G.L.O.V.E. for:
 - a. Punishment
 - b. Verbal defiance or belligerence
 - c. Aggressive resistance
 - d. Both A and B
38. In order to use The G.L.O.V.E. individuals must be qualified by a certified Master Instructor or Instructor
 - a. True
 - b. False

Compliant Technologies' G.L.O.V.E. User EXAM

39. A Note in Compliant Technologies' Training Courses and Manuals Means highlighted information
- True
 - False
40. ROE means:
- Rules of Engagement
 - Radical Office Equipment
 - Rules of Education
 - None of the Above
41. The G.L.O.V.E was designed to help those in:
- Law enforcement, Corrections and Security
 - Military
 - EMS
 - All of the Above
42. The G.L.O.V.E. is also intended for civilian retail sales and use.
- True
 - False
43. Removing the SD card when any model of Compliant Technologies Gen 4 G.L.O.V.E.is on can damage the G.L.O.V.E.
- True
 - False
44. On a level 2 ROE application the user should avoid the:
- Head
 - Throat
 - Chest area
 - All of the Above
45. The G.L.O.V.E. should not be used on animals because their fur will not allow G.L.O.V.E. on skin.
- True
 - False
46. The G.L.O.V.E. may not be as effective on individuals who have hairy arms and bodies.
- True
 - False
47. When employing The G.L.O.V.E. users will let others know they are utilizing this tool with term:
- Going Hot!
 - Here comes the Love Glove!
 - Out of my way!
 - Glove On!
48. Compliant Technologies sets Policies, Standards and TTP's for all agencies that employ The G.L.O.V.E.
- True
 - False
49. The Gen 3 and above G.L.O.V.E. allows for charging via USB or 110VAC.
- True
 - False
50. The duration of use for a fully charged G.L.O.V.E. is:
- 2 hours
 - 2 days
 - 2 months
 - None of the Above
