Testimonials

Nicky and the staff went the extra mile when they did the bar at our wedding. The prices were competitive and Nicky was brilliant at organising and communicating with me before and throughout the day. We are looking forward to using Brian's Mobile Bars again for my husband's 50th! – **Claire from Crawley**

Brians Bars were great at our wedding, they arrived and set up on time, and offered a good range of drinks that kept all our guests happy. They were great at changing plans at the last minute, when I decided to move location of the bar and times for them to start serving. Thank you for taking the stress out of us having to organise the drinks and license ourselves, and having patience with an indecisive bride!!! – **Charlotte from Haywards Heath**

The service we received was very good, everyone at the party was happy with the bar and staff, and I believe the prices were right. The staff very friendly and chatty and it was explained to me that due to the lateness of us booking the bar, they would be coming in a spare van they had to borrow and wasn't up to the normal standards they strived to achieve. I believe this shows a high level of professionalism and I would recommend Brian's mobile bar to anyone thinking about hiring a bar – **Mervin from Slindon**

We used Brian's mobile bars for our son's wedding party. Nicky's team did a fantastic professional job, the bar looked fantastic, the service from her team was excellent, and I would recommend Brian's Bars to anyone. Also Nicky will tailor any aspect to your needs, I cannot praise Brian's bars highly enough – **Lyn from Dunsfold**

I cannot recommend Nicky and her team highly enough. I have used Brian's Mobile Bars for several years now and they have never failed to provide professionalism, punctuality and assurance at every event. Nicky does her utmost to cater for every requirement and even supplied two cocktail fountains for my 40th birthday party. They always go above and beyond by helping and offering their assistance with every element of your function. Brian's Mobile Bars have a very friendly team of staff!!! I would and have highly recommended using Nicky and her team for any function no matter how small or large... Great team and great service every time! – **Lisa from Horsham**
