A Quick Update From The Clare Area Weekend Backpack Program, Inc.: Currently, there are 76 families signed up with 194 kids being fed. This number may drop as in past years as situations change. This is our highest enrollment ever.
We are coordinating volunteers to cover packing, backpack pickup, grocery unloading, and backpack transport to the school! (I’m probably forgetting something!) There is always room for more! More funding, more food, more hands!
This is a year for learning, adjusting, planning and more adjusting! Your financial support, and prayers are always welcome!
