

Public Notice - 20/3/20

Given the unprecedented situation regarding COVID-19, we wanted to update you on the steps we are taking to keep our restaurant clean and safe for you and our people. Since the outbreak, we have adopted a strict cleaning regime, which includes deep cleaning and sanitising of front of house, kitchen, utility and toilet facilities.

We are continuing to follow official guidance from the government and health authorities. The wellbeing of our customers, employees and suppliers is of the greatest importance to us. As a result, our restaurant dining area is closed following the UK Government's decision in an effort to contain the virus.

Though this is a sad moment in history and a challenging time for us all; we will continue to serve Takeaways and Deliveries, through our popular Home Dining Service (Telephone, Website and App) and Online Ordering Sites (Just Eat, Deliveroo and Uber Eats)

**Tower Tandoori is still Open seven days a week for Takeaway Pickup and Home Delivery.**

Due to this decision, our Business Opening Hours will temporarily change and will be published shortly for your information.

Many of you have asked to purchase Gift Vouchers, which can be bought by calling the restaurant on 020 7237 2247. They will be available to purchase online shortly.

We have been a crucial pillar of this community since 1978 and have seen through the good times and the bad. We would like all our friends and patrons to know that we are here should you require any assistance, especially if you are unable to leave the house or unwell.

We hope you will remain assured regarding our commitment to you and look forward to seeing you when this is all over.

We wish you all the best in health and safety through these uncertain times.

Best Wishes
