

JACOBS™

MEC^x

Safety Achievement Award

James Webb Space Telescope Project

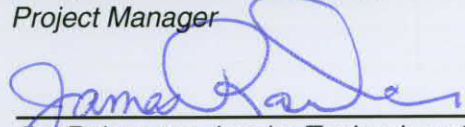

Johnson Space Center and Jacobs would like to recognize MEC^x for their active participation and commitment to the project safety processes. Your demonstrated engagement contributed to the project achieving the demolition phase of this project without any injuries.

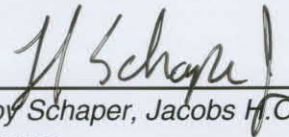

John Speed, JWST Project Engineer

Bill Lynch, Jacobs Technology Project Manager

Jim Rainwater, Jacobs Technology Safety Environmental & Health Manager

Leroy Schaper, Jacobs H.O. Construction Manager

Terry McDaniel, Jacobs HSE Regional Manager

Wayne Pherigo, Jacobs Construction Site Manager
