COVID-19 AND RETURNING TO WORK EMPLOYEE PREPAREDNESS PROGRAMME

ABOUT THIS COURSE

All South African's find themselves in a significant time of change as we navigate our way through the devastating pandemic that is COVID-19.

As a fully accredited training provider, CSG Skills has over two decades of experience in training on specialist hygiene and infection control practices. Our team of experts have specifically designed this programme to equip employees with all the information they will need to return to work safely. It is one of the most robust COVID-19 training programmes currently available in the market and it will assist all employees to implement sound practices to limit the spread of the virus in the workplace.
